

## TEN ARE KILLED; \$67,500 STOLEN

**BANDITS OPEN FIRE ON PARTY  
CARRYING OIL COMPANY  
PAYROLL.**

By United Press  
HOUSTON, Texas, April 29.—Ten persons were killed, including two bandits, and \$67,500 was stolen in the robbery of officials of the Agwi Oil company, an American controlled concern, near Tampico, April 21, it became known here Thursday.

Delayed dispatches reaching Houston said that a band of 15 Mexicans staged the holdup.

They got away with approximately \$67,500 in Mexican gold.

The money, in charge of Salvador Davalos, assistant paymaster of the Agwi company, his brother, Trinidad, and six Mexican soldiers, was being transferred from the company's vaults to the southern fields by automobiles when the robbery took place.

At a spot noted for its jungle brush, the bandits leaped from ambush and opened fire. Trinidad Davalos, five soldiers, two chauffeurs were killed. Paymaster Davalos, a soldier and two bandits were wounded.

The other eleven bandits carried their wounded comrades off, taking the money with them.

It was the bloodiest payroll robbery in the history of the oil fields of Mexico.

## PRESS COMMENT ON PHILIPPINES

**The Philippines!**  
(Shenandoah (In.) Post.)  
Our idea of the Philippine question is to get out as quickly as possible and stay out. What do you say?

**Our Little Brown Cousins**  
(Argus, Rock Island, Ill.)  
There is no mistaking that Filipinos want their independence. And it is just possible, as they insist, that they in the islands, better than we Americans over here, are the best judges of whether they are fitted for independence. The United States wants no outburst in the Philippines as England faces in Ireland. The easiest way to head off a rebellion is to give the

islands their independence before they have cause to rebel.

**Shall We Let Philippines Go?**  
(Cedar Rapids (In.) Republican.)  
The United States cannot continue to hold the Philippines unless this nation wants to give the lie to its own professions in the matter. The United States must keep faith with the world. The American people do not want the Philippine Islands to become their Irish question.

**Filipinos Are Making Headway**  
(Mt. Vernon (O.) Republican-News)  
The Filipinos are making an intensive and intelligent campaign for independence. They are urging their claims with shrewdness and vigor. They declare that they have proven beyond question that they are capable of self-government, and they believe that with independence the Filipino will so conduct himself as to gain the respect of the world.
