SULPHUR IS BEST TO CLEAR UP UGLY SKIN

Irritation and Breaking Out Often Healed Over Night, Says Skin Specialist.

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.

study, Thursday evening, 8 o'clock. Mr. and Mrs. Carl C. Walker, ministers.

**"No God - No Sin
no Future Life"
had been their creed
What was the answer from the other side?**

Maurice Tourneur's tribute—
"The most interesting subject that has ever been screened. The production of 'Earthbound' marks a distinct advance in the art of motion pictures."

George Loane Tucker's statement—
"There is a message in 'Earthbound' that the wide world is greatly and deeply interested in. I sincerely hope that everyone who liked my production of 'The Miracle Man' will go to see 'Earthbound.'"

Gouverneur Morris deeply moved—
"That astounding drama which yesterday passed with unutterable dignity before our astounded eyes! Dignity, power, passion, drama—my heart almost stopped beating! No great work of art has ever held me more spellbound."

Basil King's

Powerful Drama of the Unseen World

Two men built their lives on this creed:
"no God—no Sin—no Future Life!"

It flung one headlong into the future he scoffed at. It put the other on trial for his life.

Then the murdered man came back from his world of shadows. Back to his wife and the woman who had invited him to sin.

Passion still held him to the scenes of his transgression. Even in death he could not escape. He was earthbound!

How far away are the dead? Is the spirit held to earth by its desires? Is there growth and progression—even after the shadowy barrier has been crossed?

Men and women, everywhere, stirred by intense personal feeling, have been asking — "Does the personality change with death? How long do the old interests go on?"

Basil King brings an intimate knowledge of men and women, of their wants and needs, to this great narrative. "Earthbound" deals with the emotional realities of men and women. It is a remarkable lifting of that veil which stands between this life and the next.

This production marks a new development in the art of telling stories through the motion picture. It is endowed with a power and human poignancy that can be found in no other form of art. No effort has been spared by the producer and the author to make "Earthbound" a story of great significance and great beauty.

The year that it has taken in creation, began a new era for the screen.
