

'Round Coast Bases

By United Press
 SAN FRANCISCO, April 30.—Los Angeles shook itself up again yesterday and under the urge of a warm sky took another game from the Seals. It was a 10-inning struggle, but the result was 5 to 3 for the Angels, much to the dismay of the San Francisco fans. Crawford was the hero for his home run with one on in the tenth, scoring the winning runs and sending the Angel city mad with joy.

The Oaks went on the war path and the Vernon Tigers didn't have a chance. Bill Essick used three of his star twirlers, but they all looked alike to Del Howard's men. The score was 10 to 4. Vernon got the four.

Portland fooled Sacramento by beating the Solons, 7 to 6. Portland now has five victories to its credit.

Salt Lake beat Seattle, 6 to 3, in the first game of a scheduled double-header. Rain forced postponement of the second game.

THE SCOREBOARD.

By United Press
 Yesterday's hero: Urban Faber, the White Sox pitcher who let the champion Cleveland Indians down with two brief hits, enabling the rejuvenated Sox to trounce the champions, 1 to 0.

Sutherland, a Tiger recruit, pitched Cobb's men to a 5 to 3 victory over the Browns. Cobb hit safely three times.

Pittsburgh defeated the Cubs by bunching hits in the first three innings. Cooper, who pitched the first game since his illness, held the Cubs runless while the Pirates amassed a total of three.

Bill Sherdell, the Cardinal twirler, weakened in the ninth and Cincinnati pounded out four runs, defeating St. Louis, 7 to 3.

Rain interrupted the Washington-Philadelphia game in the tenth inning with both teams tied with three runs.

Bad weather copped all other games.

Catarrhal Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or impaired hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube returned to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Halls' Catarrh Medicine acts thru the blood on the mucous surface of the ear.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Halls' Catarrh Medicine. Circulars free. All Druggists. Sold by F. J. CHENEY & CO. Toledo, O.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take Tablespoonful of Salts if Back Hurts or Bladder Bothers

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.
