

NEWS NOTES

Gun Club Meeting Postponed—Because of the fact that the city council will occupy the council chambers tonight, the meeting of The Dalles Rod and Gun club originally planned for tonight has been postponed until the next regular meeting, it was announced this morning.

Community Sing—A public community sing for all who care to attend, will be held Wednesday morning at the Edw. C. Pease company store. Mr. and Mrs. L. S. Plicher, Community Service song leaders, will have charge of the affair, which is to start at 10:30.

Private instruction can be had by applying to Miss Charlotte Thrall. Great interest was shown at the inaugural swim last week.

Mrs. Fisher is Buried — Funeral services for Miss Jesse Leah Fisher, 49 years old, were held this afternoon at 2 o'clock from the Burget-Mogan company's funeral home. The Rev. Ernest Goudge officiating. Miss Fisher was a niece of Mrs. E. J. Robinson of this city. Besides Mrs. Robinson, she is survived by three brothers; Forrest S. Fisher of Portland, James Fisher of Shaniko and Dr. R. S. Fisher of Portland. Burial was in the Odd Fellows' cemetery.

Rock Crusher Idle—The state having ceased to purchase crushed rock from the city rock crusher, for use on the Columbia River highway, the crusher is now standing idle, according to City Engineer P. W. Marx. The crusher will be worked only when the city requires rock in the future. The A. D. Kern construction company is building its own rock crusher near Mosier, to furnish crushed rock for paving the highway.

Community Sing Success — The Community Sing at the Y. W. C. A. rooms last night was a splendid success. A double male quartette did some fine harmony work and the Oregon song which will be a feature song of the pageant was practiced. A trained male chorus of 50 voices is being planned. Community sings will be held again Wednesday and Thursday evenings at the Vogt school.

Churchmen Will Meet Tonight — Churchmen representing the various religious bodies of the city will meet tonight at the Methodist church to give further consideration to the proposed central council for The Dalles. During the two weeks since the first meeting of this nature the Protestant churches have been giving serious consideration to the project and two or three have already voted to enter such a council. All churchmen are invited to the meeting and will be allowed the privilege of speaking on any point. Only the representatives appointed by the churches will vote.

Pastor's Meeting Indorses Financial Solicitation — The members of the ministerial association of this city at their regular monthly meeting held yesterday in the public library expressed their sympathy with the financial canvass of the Salvation Army, Albertina Kerr home and Near East relief, three organizations which are appealing to the beneficence of the public during the week. The Rev. Carroll Roberts addressed the meeting in the interests of the Near East. Captain Clara Neilson spoke concerning the local work of the army and stated that it was asking the county for \$2500 with which to carry on during the next year. Mr. Foster, field representative of the Pacific Rescue league, here in the interest of the Albertina Kerr Nursery, outlined the work of the league.

Union Service Sunday Evening — The Protestant churches of the city with the exception of the Congregational church will unite in a big union service at the high school next Sunday night. The speaker for the occasion will be B. F. Irvine, editor of the Oregon Daily Journal who will present vital facts relative to the needs of the Chinese in the

famine districts. Mr. Irvine is one of the strong speakers of the northwest and is not a stranger to the city having appeared before the Congregational men's club a few weeks ago. Owing to the fact that the Congregational church has a film program for the evening, which was engaged several weeks ago and which cannot be cancelled without a heavy loss it was unable to enter the union service at such short notice.

Send Out Relief Call—The local committee on the China and Near East relief work are visiting the country schools this week to get the plea for help to all the families in the county. Edgar B. Piper, editor of the Oregonian and E. B. Mills are the Oregon representatives for this work, appointed by the President of the United States. Mr. Piper is in New York City and in a recent message to J. J. Handsaker, the state director of the campaign, he says, "Until the new harvest, late in June, 5,000,000 people in the famine districts depend entirely for life upon the continuance of American funds. Thousands are dying daily. The typhus epidemic and added starvation combine to make a situation of the most desperate nature. Whole families are committing suicide." A ship has been assigned to leave the Pacific coast about June 15 with flour and clothing.

DALLES STUDENTS TO TRY FOR \$100 SCHOLARSHIP

Here is a chance for some senior in high school to win a cash scholarship of \$100 from Oregon Agricultural college this year. A new donation to the scholarship fund makes four of these \$100 awards possible, and competitive contests for the scholarships will be conducted in The Dalles, by Will E. Wiley, principal of the high school.

The separate contests will determine the winner. The first will feature competitive essay writing and will be judged on originality. The second contest will be in the form of efficiency tests, and the third will be to determine the student's ability in extemporaneous writing.

The principal of the school will determine the students' rating highest in the contest, and will forward their papers to the college. The committee on awards will announce the winners soon after the close of the contest.

The first contest will be conducted in the various high schools of Oregon in the next two weeks. Any high school student who has been graduated within the last year may also enter the contest, provided he or she have never attended college.

"The small town student has an equal chance with the large town student in this competition," says one member of the committee. Printed rules governing the contest are being sent to every four-year high school in Oregon by the committee on awards and honors at the college.

WOULD LET CONGRESS WATCH ELECTION EXPENSES

By United Press WASHINGTON, May 3.—A constitutional amendment to put expenditures in all primaries for federal offices and presidential preference primaries, under congressional control, will be presented in the senate soon by Senator Hiram Johnson of California, he announced today, following the Newberry decision knocking out the section of the corrupt practices act dealing with elections.

DALLES BALL ARTISTS TO CLASH WITH MAUPIN

The first baseball game of the season to be played in The Dalles is scheduled for next Sunday, when the local town team will clash with the fast Maupin nine on the old ball park field. The Maupin team is credited with being a peppy organization this year, listing many of the same players who last year played on the Maupin team against Condon for a \$1,000 side bet. Local players have also developed into a snappy aggregation, however, and one of the best exhibitions of baseball seen in The Dalles in many a day is expected Sunday. The game will be called promptly at 2:30 o'clock.
