BEATRIZ PIZZORNI IS SOPRANO EXTRAORDINARY

Prominent among the song birds to appear with the Sonora Grand Opera singers is beautiful, stately Beatriz Pizzorni, lyric soprano, whom music lovers of this city will remember as Leonora in "Il Trovatore" as presented by the Sonora Grand Opera company last year.

Miss Pizzorni was born in Milan, Italy, her mother being Madame Gin', one of Italy's great singers, who won fame by her remarkable creation of Gioconda. Her father was Tenor Pizzorni, one of the best teachers of singing in Mexico City. Beatriz Pizzorni made her debut in Mexico with Tosca in 1915, and notwithstanding her youth, she sang to instant success. Since that time she has portrayed the principal roles in every well known opera which calls for a lyric soprano voice, much of this time having been spent as leading soprano with the Sonora Grand Opera company on tour in the principal cities of the United States, Canada, Mexico and South America.

Many nice things have been said concerning this young artist by eminent musical critics throughout the United States, where she has been received with open arms by those who know and recognize the wonderful qualities possessed by her.

Miss Pizzorni is one of the principal stars of the Sonora Grand Opera company who will present a program of operatic and popular selections at the Empress theater for an engagement of two days starting Friday. This will be in conjunction with the regular feature picture program with a change of program each day. She will sing arias and parts from her greatest operatic successes and the many music lovers are looking forward enthusiastically to this musical treat.

RAILROAD LABOR BOARD ASKED TO DELAY WAGE CUT

By United Press
CHICAGO, May 6.—B. M. Jewell today asked the United States railroad labor board not to order cuts in common labor wages until a new set of working agreements could be drawn

Jewell closed the case of the shop crafts before the board, in the hearing of employees who are contesting the railroad petition for permission to slash common labor wages.

The four big brotherhoods are to

start presenting their case against wage cuts tonight. Warren Stone, W. G. Lee, W. D. Carter and L. E. Shepard, brotherhood heads, will argue.

"Frontier of the Stars"

Has the underworld thrill of "The Miracle Man" and the tender charm of "The Prince Chap."

The man had sprung from the gutter. Gangster, gunfighter, spawn of a great city's slums.

The girl, an invalid, lived on a roof-top. Below her, the roar of the world. Above her, the stars, the infinite blue and the God of her innocent faith.

One day the man, pursued by police, rushed into her lonely life. What comes after that—your heart will cherish always.

To the Workers of Oregon

By Otto R. Hartwig
President, Oregon State Federation of Labor,

DURING these days of reconstruction and uncertainties, it becomes more than ever necessary for the citizens of Oregon to patronize the industries of Oregon by buying such products as are made in this state.

Industries of Oregon cannot be expected to grow and furnish continuous satisfactory employment to the workers of Oregon if we spend our money for products manufactured elsewhere.

It is a well known fact that on the whole, Oregon workers are receiving better wages and working under more satisfactory conditions than is true of the workers in many of the eastern centers where a good deal of the products that the careless purchaser buys comes from. It is the height of stupidity and selfishness to demand decent working conditions from the Oregon employers and then turn around and use the money earned in Oregon to buy products made under sweat-shop conditions that exist in many of the eastern and middle states.

Let's buy Oregon Products!
