LEAVES DAUGHTER IN CARE OF JEWEL THIEF

H. B. Warner Storied in Jimmy Valentino Role

From the sensational story of a life of crime, Bill Preston speaks to his daughter of the days gone by. "There's only one way to beat the crooked game, Nancy. Run out of it!"

Old Bill had kept her out of the game as far as he could, and when he was gone would David and Joe protect her? He distrusted them because he had seen in his own a love of justice. Joe was good and lovable, though.

Jimmy was terrible with a pair. Jimmy Clark was the only one to be trusted—Jimmy was then and played the crooked game "straight." He has been the leader of the gang, and to him Bill entrusted his son.

Johnny and Nancy are the leading characters in Film of Yesterday starring H. B. Warner at the Criterion Theatre Wednesday. The story is by John Norris and is to be even more presently gripping than "Alias Jim Valentine," which won starlets for Mr. Warner what he could not have from other sources.
