Sobered, they were released this morning upon their promise to leave at once for Tumwater, where they desire to fish.

Old School Chums Meet—Jasper Wright of Seattle visited in The Dalles yesterday with John L. Gavin, local attorney. Wright and Gavin are boyhood friends, having gone to the same school together in the east. Wright has just completed a term of teaching in the Boise public schools and stopped in The Dalles enroute to his home in Seattle.

Kundsen Funeral Here—Mrs. Katinka Knudsen, 73 years old, died Saturday at Madras, following an extended illness. She is survived by one daughter, Mrs. Olga F. Glover of Antelope. The body was brought to The Dalles for burial in the Odd Fellows' cemetery beside that of her husband, who died here in 1905. Funeral services were held at 1 o'clock this afternoon from the Crandall Undertaking company's chapel, Rev. W. I. Eck officiating.

Booster Meeting in Maupin—A big booster meeting, in the interest of the proposed \$800,000 bond issue and resultant construction of The Dalles-California highway, will be held at Maupin on Saturday, May 21. It was announced today. It is planned to make the meeting a gala affair, with ranchers from all parts of the Maupin district in attendance. A trout fry will be held at noon, in conjunction with a general picnic lunch, followed by a baseball game in the afternoon between the strong Maupin nine and the Warm Springs Indian baseball team.

Birthday Party—A birthday party was given by Mrs. Joseph Geiger Sunday afternoon in honor of her daughter, Miss Vera Geiger and honoring Miss Helen Schlicketser. The guests spent the afternoon in outdoor games. A luncheon was served in the dining room. The hostess was assisted by Mrs. Joseph Kelly. The list of guests included Margaret Mary Kelly, Bertha McGreer, Minnie Carlson, Mildred Bolton, Vivian Lane, Olga Abbott, Anna McLean, Elizabeth McGinnis, Elizabeth Lawson, Donatille Kelly, Ruth Geiger, Joseph Kelly and Edward Geiger.

Rain At Tygh Heavy—Heavy rain last night, the greater part of which apparently missed The Dalles, worked havoc on the county roads east of the city, according to C. M. Grimes of Tygh Valley, who drove to this city this morning. The roads are in such a muddy condition that five hours of careful driving were required in which to make the trip. Grimes at one stage of the journey was compelled to get out in the mud and put chains on his rear wheels. Grimes but recently consummated a sale in which he disposed of all of his Tygh Valley holdings. He expects to take up residence in this city.

Mrs. Thrall Passes—Mrs. Emma Elizabeth Thrall, 51 years old, a resident of The Dalles for the last 44 years, died at the family home, 805 Court street, early this morning, following an extended illness. Emma Elizabeth Vogt was born in Iserlohn, Germany, June 30, 1869. She was the oldest daughter of Mr. and Mrs. Frank Vogt and came to The Dalles from Germany with her parents in 1877, and has resided here ever since. She received her education in St. Mary's academy and was a teacher in the public schools. She was married January 19, 1894, to James Thrall. To this union were born eight children who all survive her. She has been in invalid for four years but was a patient sufferer and was kindly attended by her large and loving family. The funeral will be held tomorrow afternoon at 2:30 at Burget-Mogan funeral home.

Mayeta Trial Reset—Upon the motion of District Attorney F. V. Galbo-way, Circuit Judge Fred W. Wilson today set Monday, May 23, as the date for the retrial of Tony Mayeta, charged with violation of the prohibition law. The trial of Earl Barzee, also upon a liquor charge, will follow upon the completion of the May-

eta trial. Mayeta, proprietor of the Glenwood hotel, was arrested last winter in a raid upon his place of business by local and anti-saloon league police officers. The approaching trial will be the second time the state has sought to secure a conviction upon the original charge, a jury in the first trial, after being out all night, reporting that no agreement as to a verdict could be reached. Additional trial dates will be set by Judge Wilson as soon as indictments are returned by the grand jury, which started work today.

Northern Lights Vivid—Residents of The Dalles who happened to be out taking the air Saturday night between 9 and 10 o'clock witnessed most remarkable displays of Aurora Borealis, flashing through the skies, seemingly from each horizon. No longer could the display be called "Northern Lights," for the electrical exhibition converged to the zenith from the southeast. At first seemingly but a very bright cloud formation, reflecting the rays of the half moon, the lights moved higher and northward with amazing rapidity and soon the brilliant rays swept in every direction. Later they centered in the north and northeast, where they lived up to form as typical northern lights by sending vivid streamers far overhead. One of the curious effects noted was a light formation directly overhead, with bands extending in every direction, like the ribs of an umbrella. In the southwest, a red and purple patch glowed in the sky for several minutes. The show was dimmed somewhat by the bright moonlight, but it was as striking a celestial display as has ever been witnessed in the city.

GOOD VALUES IN USED CARS

There is true economy in the purchase of a used car of known value—such as a Dodge Brothers motor car.

The qualities which make a Dodge Brothers car the natural choice of the original purchaser, and which so eminently satisfy him that he disposes of one, to buy another, insure satisfaction to the fortunate owner of the used car.
