

NEWS NOTES

World Pictures Free Tonight—A set of 75 University of Oregon slides illustrating the lecture, "Going to Church Around the World," will be shown free tonight at the Baptist church.

Divorce Granted—A decree granting divorce was yesterday handed down by Circuit Judge Fred W. Wilson, in the case of Pearl Sasser, versus John P. Sasser. Cruel and inhuman treatment and desertion were charged.

Solicitors Asked to Report—All solicitors for the Near East-China relief are requested to report as soon as through with their canvass. All children selling stamps report to person from whom they received same.

Community Luncheon Postponed—The regular semi-monthly community luncheon has been postponed until the week following the pageant. A press of work incident to rehearsals etc., is given as the reason for postponement.

Sorosis Picnic—Approximately 90 members of the Sorosis club participated in annual club picnic yesterday afternoon, at the summer home of W. Wilson. Basket lunches were enjoyed. Mrs. Carlton P. Williams lead a brief community sing.

To Attend Laundry Meeting—Mr. and Mrs. J. H. Weiss and Mr. and Mrs. R. J. Gilbert departed today for Eugene where they will attend the annual convention of the Oregon Laundry Owners' association. They are motoring to the university city.

Mrs. A. G. Wood Married—Mrs. A. G. Wood, formerly of The Dalles, but who has been a resident of Portland for several years, and H. J. Lloyd of Portland, were married May 14. They will make their home in Twin Falls, Idaho. Mrs. Lloyd is the mother of Mrs. Oscar Lang of The Dalles.

Song Leaders Meet Tonight—Members of the song leader's class will be given an opportunity to show their "class" at the community chorus rehearsal tonight at the Vogt school building. Richards' orchestra will accompany the chorus. Rehearsal will begin promptly at 8 o'clock and members, old and new are asked to be in their seats for the opening song.

W. C. A. Picnic Planned—A membership picnic, participated in by all members and clubs affiliated with the local Y. W. C. A., will be held Thursday evening at the Union street park. Persons participating in the picnic will bring basket lunches. Stunts will be put on by the various Y. W. C. A. clubs, followed by community singing. Those attending are requested to bring cups.

Meeting of Local Church Council—Election of officers and appointment of committees for the local council of churches was held last evening in the Methodist church. Portland representatives of the Oregon Sex Hygiene society and the Pacific Rescue league appeared before the members and presented very pertinent facts concerning the activities of the two organizations.

Goldendale Game Scheduled—A return game with the strong Goldendale baseball team, defeated by a score of 6 to 1 last Sunday by The Dalles team, at Goldendale, will be played Sunday, May 22, on the local field. The Dalles team has hit its stride and is now out to meet all comers, local fans boast, which will probably mean that a snappy exhibition of the national sport will be staged Sunday at the old ball park when the two teams clash. Woolsey and Hoffman will be the battery for the locals. The game will start promptly at 2:30 p. m.

Postoffice Receives Firearm—For the protection of The Dalles postoffice from bandits, Postmaster Robert C. Williams yesterday received a big government army revolver. The gun will be kept within immediate reach of the general delivery clerk, in order that it may be used should any argument arise between the government and a burglar concerning the ownership of the United States mail going through the local postoffice. No provisions have yet been made to arm rural and city mail carriers, Williams said. In the larger cities in the country postoffices and railway mail cars are being equipped with sawed-off shot guns and pistols.

Plan Social Hygiene Lectures—J. G. Waggoner, field representative of the Oregon Social Hygiene society, appeared before the directors of The Dalles-Wasco County Chamber of Commerce last night and asked the cooperation of the chamber in putting on a series of social hygiene illustrated lectures in this city in the near future. The pictures will be of an educational nature, he explained. The di-

rectors voted to assist the state society in putting on the lectures. The pageant committee of Community Service also appeared before the directors, asking that all business houses in the city close at 4:30 on the afternoon of May 27, when the pageant will be staged. The matter was referred to Mayor P. J. Stadelman for official proclamation, although the general consensus of opinion among the directors was that all business houses will close voluntarily.

New Theater Organ Due—The new \$10,000 Robert Morton pipe organ purchased by the management of the Empress theater, will arrive in The Dalles next week for installation. It was announced today. The new organ is the most complete in Eastern Oregon, embodying all of the modern effects obtainable on the highest priced concert organs. Among the stops are bass and snare drums, chimes, bells, piano and tom-tom, in addition to all of the regular viola, trumpet and flute pipes. It is planned to dedicate the new organ with a concert Sunday, May 29. Bob Werschkul, at present playing piano at the Empress, will continue as organist. Werschkul formerly played pipe organ at the Columbia theater in Portland. A Gardner gold fibre screen has also been purchased for the Empress and will be installed this week.

Estimating Produce Crop—For the purpose of definitely lining up the amount of fruit and vegetables to be handled by the newly formed Wasco county branch of the Oregon Growers' Cooperative association, through marketing channels provided by the parent organization, M. O. Evans, field manager, will be in The Dalles the remainder of this week upon a general inspection of the county crop situation. The Oregon Grower's association is going ahead with a vim in its plans for marketing this year's crop, according to Evans. J. H. Frazier, manager of the green fruit sales department of the state organization, will arrive in The Dalles some time the last of the week to take charge of plans for marketing fruits and vegetables, grown by members of the Wasco county branch organization. Frazier was formerly employed in the same connection at Yakima.

Plan Wapinitia Road—C. W. Wanzer, state market road inspector, was in The Dalles Monday conferring with County Road Master P. W. Marx regarding the construction of the Wapinitia market road, to be started this summer under the state market road plan. Marx will make a preliminary survey of this road, which is nine miles in length, some time next week, he announced this morning. The new road, when completed, will connect Wapinitia with The Dalles-California highway, near Maupin. The total market road fund, supplied jointly by the county and state for use on this road, is about \$62,000, which is sufficient to complete the grading and macadamizing, according to Marx. While here, Wanzer made an inspection trip with Marx over the recently completed Dufur valley market road, expressing himself as completely satisfied with the manner in which the market road money had been expended.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If Your Back Hurts or Bladder Bothers, Drink Lots of Water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to lead your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water — you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys, also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Adv.
