To make up for the money you would save on that "eighth day," suppose you have a definite plan and save one-half or one-third of your daily earnings. Deposit it in our bank and watch your money grow! Start such an account with us today. We pay FOUR percent interest.

**WHY A BANK ACCOUNT CONVENIENCE**

PAYING bills other than by check is a rare thing these days. It is so much more convenient to write a check than to carry cash. Then too, each transaction is recorded upon the check stub for ready reference.

Whoever is regularly receiving and paying out money is welcome to open a checking account here at the French & Company bank. For others, possibly a savings account will be better.
