

RAIL FIGHTERS' NEW FAST ORGANIZATION

FANS LOOKING FORWARD TO BIG GAME OVER WEEK-END.

Two of the fastest baseball games of the year will be played in The Dalles May 29 and 30, when the local aggregation of stick artists will tangle in two games with the Harman team of Portland. The Portland ballplayers have played five games so far this season and have won six of them, which fact is causing local fans to remark that "it must be some team."

The Dalles nine has developed into a remarkably snappy organization, however, and will be able to give the Portland pill chasers a run for their money. Persons who saw last Sunday's game between The Dalles and Goldendale, which was won by The Dalles in the 13th inning after the score had been tied, 2 to 2 for four innings, are confident that the locals have the punch necessary before any team can break into the winning class.

Both games will be played on the old ball field, Sunday's game starting at 2:30 p. m. and Monday's game at 2 p. m.

On Friday, May 27, the locals will engage in mortal combat with the reputed strong Indian baseball team from the Warm Springs reservation. This game will start promptly at 2:30 and will be over in time to allow spectators to witness the payment.

LOCAL BOXERS WILL APPEAR IN WASCO

Four boxers from The Dalles will journey to Wasco on Decoration day, May 30, for participation in the big American Legion smoker which is being held there on that day. They are John Sammers, Ash Whidler, Frank Heater, Jr., and Eddie Dyball. A number of local boxing enthusiasts plan upon making the trip to the Sherman county town for the purpose of witnessing the bouts.

H. S. GAME WITH HILL ACADEMY OFF

The scheduled baseball game between The Dalles high school and Hill Military Academy teams, to have been played this afternoon on the local field, was called off yesterday by the Portland school. Principal W. E. Wiley of the local high school announced this morning. This action leaves The Dalles nine without any game for this week. An effort is being made by Wiley to get a game for Thursday afternoon between local swatsmen and the Warm Springs Indian team.

A. A. U. PRESIDENT PICKS DEMPSEY AS CHAMP

By United Press
LOS ANGELES, Cal., May 24 — Robert S. Weaver, president of the A. A. U. and member of American Olympic committee:

"I have seen Dempsey on several occasions, but have never had the pleasure of meeting Carpentier. However, I believe there is not a man in the world who has a chance with Dempsey. I figure he will knock out Carpentier inside of four rounds. Carpentier is not rugged enough to stand up before the champion's terrific punches."

CARPENTIER TRAINS IN DRAUGHTY OLD BARN

By Westbrook Pegler
(United News Staff Correspondent)
MANHATTAN, N. Y., May 24 — In the drafty old brown barn on the Matthews place, except by a raw breeze, Georges Carpentier stripped down to fighting trunks and foot chaps on pneumonia Monday after-

noon. Georges put on five minutes of "Le Ballon," as they call a punching bag when it's inflated with French atmosphere. Then he took a few twips and jukes at the sandbag, missing most of the heavy blows purposely to save his hands, and turned from that to rope skipping. For 10 minutes without a let up Georges pranced about the old barn floor eating a little cloud of ancient dust every time his gym shoes hit the boards. He did rope steps that the little girls on Steater street never heard of and even went through the fast work of shadow boxing without mistaking. When Francis DeWants, perched on a beam finally called time and Trainer Gu- Wilson covered Georges' shoulders with a couple chestnuts. Carpentier, with a pommer (oil) design the French fighter's skin was shiny with moisture.

For a whole time, with every pore of his body wide open, Georges was right in the middle of the draught sweeping in off the meadow and on through the other door of the barn. Afterward, with perspiration glistening on him, he paced in the breeze for couple of minutes while the photographer got him.

The Carpentier camp is reported to be after Jack Dempsey's goal by the silent procession of suggestion. But there is a severe case of "negroes behind the barbed wire" barricade down here on Long Island, where Dempsey is playing ball and having more fun than an actor with a new scrap book. Dempsey is testy and irritable. Gus Wilson tyrannizes, reveals underlings, Georges' himself wear an attitude of strained patience.

Georges weighed 172 pounds for his workout. He expects to weigh 171 at ring time which means that the bar to remain on edge for the next five weeks. All the training he needs now is just enough to bring his hair and quicken his boxing.

RECORDS MAY GO IN SPEEDWAY CLASSIC

By Barney Oldfield
(Written for United Press)
INDIANAPOLIS, Ind., May 24 — Senior Chris Columbus, who took the biggest chance recorded in history, would have been an auto racer if he lived in the age of chugging engines instead of the days of popping sails.

For auto racing is chance and nothing else but.

The winner of the ninth annual 500-mile international sweepstakes, which will be held here Memorial day, will have easier. Dame Chance, who changes her mind more than any other of the sex, to thank for success.

Every indication points to all existing records being broken, but indications have pointed this way several times before.

The percentage is against the record being broken.

When "Howdy" Wilcox won the race in 1919 he was stepping along at a pace 93 miles an hour average until he had to stop. Last year, Ralph De Palma was way beyond the record, as was Joe Boyer, who won most of the lap places. But both had to stop at the pits and the record again withstood the onslaughts of the speed demons.

Still everything is favorable to the 1921 classic outdistancing the record that each year has been the hope of the drivers and speedway officials.

As a betting proposition it is a fly in the oint. If I was wearing and anyone bet me two to one the record would be broken I would take the short end. I would also take the short end if they bet me the record would not be broken.
