SAM McVEY PICKS GEORGES AS WINNER

By United Press NEW YORK, June 4.—Sam McVey, former heavy weight, and one of Carpentier's advisers, says "Carpentier will win. I think I don't know how many rounds but I look for it to be short. As soon as he gets that right over Mister Dempsey is going to go down and he's going to stay down. There's no man in the game who can take that wallop."

GYMNASTIC UNION TO HOLD TOURNEY

By United Press CHICAGO, June 4.—Three thousand men and women will participate in the physical and mental competition in the national gymnasium of the American Gymnastic Union to be held here from June 29 to July 3.

LIVELY BALL MAY CHANGE PITCHING RULES

By Henry L. Farrell (United Press Staff Correspondent) NEW YORK, June 4.—Admitted that a lively ball is being pitched, but not pitched in the old-fashioned way, the National League is willing to change the rules of the game by permitting the use of relief on finger tips.

Players have maintained all along that the ball was livelier, harder to pitch and more difficult to handle.

Bill Killiter, star catcher of the Chicago Cubs, said recently there was no doubt the new balls had more life.

"One of the new balls hit squarely will either ride out of the yard or line down the infield too hot to handle," he said. "I've seen balls driven through the infield too fast to be seen."

THIS TIME LAST YEAR

George Kelly, Giants batted in five of the eleven runs that beat the Braves. Pillingin issued 10 bases on balls.

Meadows, Philadelphia and Bagby, Cleveland, lost their first games of the season.

CARDS OF THANKS.

Card of Thanks We wish to thank the many friends who so kindly assisted us in the time of our deep sorrow in the loss of our dear grandchild, Helen Grace Anderson, who passed away at her home in Dufur, May 31, and for the many beautiful floral offerings and kind words of sympathy.

Grandma and Grandpa Anderson

Card of Appreciation. This is to extend our heartfelt thanks to the nurse, Miss Matti Pritchard, who so devotedly attended our little grandchild, Helen Grace Anderson, who passed away May 31. She gave every attention that could be given anyone at this time, even sacrificing herself in order that she might do something to relieve the little sufferer. We all feel in our hearts that everything was done that could be done that could be done for this little darling and really feel assured that she is resting in the arms of Jesus.

GLASS OF SALTS IF YOUR KIDNEYS HURT. Eat Less Meat if You Feel Back Achy or Have Bladder Trouble. Meat forms uric acid which ex-cites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat flush the kidneys occasionally. You must believe them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pain in the back or sick headache, dizziness, your stomach sour, tongue coated and when the weather is hot you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jar Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. The famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jar Salts is inexpensive, harmless and makes a delightful of ferverescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Adv.
