NEWSPAPER

Marriage License Issued—Mr. and
Mrs. S. P. Welch, of Portage, have
been married in Kalamazoo.

Tank Open for Men—I've been
heard to say that women are
being barred from the tank. The
situation seems to be that the
women's section of the tank is
being reserved for those who
are menstruating.

A Woman in Love—A woman has
been seen with a man who is not
her usual escort. This is said to
be the first time she has been
seen with this man.

Auto Club of Southwestern Ohio—
A meeting has been scheduled
for tomorrow afternoon to discuss
plans for the annual auto show.

Silvertown Cords—Silvertown
Cords have been issued to all
members of the Auto Club of
Southwestern Ohio.

Special Sale on Oil Stoves—We
have put on a special sale.

The New Blue Belle, with twin
lift burners, which eliminate any
possible chance of wicks getting
caught, or sticking, a common
complaint with many wick
stoves.

Why heat up the entire house with
a range when you can do your
cooking, baking, and heating in
one of these oil stoves at less
expense than with wood or coal?

Note the following reductions we have made:
2 Blue Bell, regular $20.50, cut to $18.00
3 Blue Bell, regular $56.50, cut to $21.00
1 Blue Bell, regular $36.50, cut to $25.00

Come in and let us demonstrate, or we will send you one of these stoves on approval.
