Celebrated Magic Soap Powders! Prepared in 6, 12, and 24 lb. Boxes,

READY FOR WASHING. This is cheaper than Common Soap. It removes Paint, Tar, Pitch and dirt of every description; and which has given such general satisfaction, by proving that your wash ing can be done with one-half the time and labor of the old mode. Thus labor saved is money made; as wash-boards, a achines and hard rubbing to wear out clothes, is entirely dispensed with, and the washing for a dozen persons can be done in two hours. Thus the cost of your washing being three-fourths less

than by any other process, as you use no other soap. These Prepared Powders or Soap have not only proved themselves superior for washing any and all kinds of goods, but proved after one year's use not to injure in the slightest degree any fabric of the finest texture ; and, also the finest article for the hands, as it makes them soft and white, as well as your clothes. It also keeps your hands from

chapping when exposed to the air.

We defy the world to produce its superior for washing any and all kinds of goods. Our object is to save your time, expense, hard labor, and especially the woman who has to wash. We take pleasure in announcing a few of the many ladies' names—by their consent who have used our Prepared Magic Soap
