#### Intimidation.

We last week mentioned a case of intimidation on the part of the Radical managers in this county, and now we have D. P. Thompson, one of Ben. Holladay's and Williams' tools, and the hold-over State Senator of this county. He went one day this week to a man in this city and told him that he was guilty of a crime against the laws of the State, (which we believe to be false.) but if himself and all or vote the Radical ticket, there would be nothing done about the matter. This is not an isolated case. We have heard of letters without signatures being sent to parties containing threats of similar import. These men will vote, and vote their sentiments in defiance of these villainous making office of District Attorney in each | threats, and whatever the parties may be guilty of, these men who offer to compromise their guilt for their votes are more criminal than the original offenders. What do you think of a man who would go to a highwayman, knowing him to be one, and tell him to give him half of the money which he robbed a man of? Would he not become a party to the crime? Is there any difference in the case in point? thousand men are represented to have If these parties were guilty of any crime, and we know that they are not, they. D P. # Robt. E. Bybec.

This gentleman is the Democratic candidate for Prosecuting Attorney of this District. He is a young man, of good ability, and of more legal sense than his opponent ever possessed, and if elected, will discharge the duties of his office honestly and faithfully. Vote for him.

The news from all parts of the State is cheering. Not less than 1,000 majority. and perhaps 2,000. Let Clackamas county fall into line and be numbered along with negro equality.

The Radical party has been expending over \$16,000 per year for county purposes during the past two years. The Democracy you endorse?
