TOWN AND COUNTY.

SCHOOL EXAMINATION.—We learn that all the classes at the Oregon City Seminary passed a very creditable examination at the closing exercises. The examination was conducted by Mr. S. D. Pope, Principal of the school, Dr. Barclay, and N. W. Randall. The singing by the scholars was led by Rev. John W. Sellwood. On Tuesday evening the scholars and friends met at the Congregational Church for the purpose of receiving the diplomas and certificates. Addresses were made by Revs. J. W. Sellwood and E. Gerry. The names of the graduates are, Misses Hattie and Katie Barclay, Jennie and Mollie Barlow, Emma Miller and Kate Hunsaker. After the graduating class had received their diplomas, they presented Mr. Pope, through Miss Katie Barclay, who made a very appropriate presentation address, with a beautifully bound gilt bible, which was reponded to by the recipient.

THE FOURTH AT OREGON CITY.—The Committee of Arrangements for the celebration of the National Birthday of our country have succeeded in procuring the necessary funds and making the arrangements for a glorious observance of the day in this city. There will be a procession, escorted by the Oregon City Brass Band; singing by the Glee Club; reading of the Declaration of Independence, by J. A. Smith, Esq. and a picnic dinner. Mr. John Myers is Marshal of the day. We hope that our citizens will participate in the celebration of the day, and make the occasion a grand success, one that will reflect credit on our city and her patriotic citizens.

THAT ENGINE.—That ever-observable object on Main street, the engine, still remains in its place. Last Saturday evening a small boy while playing on it fell from the top to the sidewalk, injuring himself severely. If our city parents don't take care of that nuisance, together with the sidewalks, the city may be called upon some day to pay a small bill of damages. The brakes of the engine are frequently put down so as to project over the sidewalk, and a person coming against them at night can very handily be injured.

CHALLENGE.—In another column will be found a challenge to the Webfoot Club, of Lafayette, from the Eckfords, of this city. We regret that the apparent good feeling between the two clubs at their first meeting should terminate this way, but the insinuations contained in the last issue of the *Blade* that our boys were willing to let the game end with the second, thus stand one and one, was unjust. Our boys were ready to play at any time while it was the Webfeet that failed to "come to time."

AMUSING.—A man with an ox team passed through town, and he offered a fellow $2.50 to ride one of his oxen, which was accepted, but the fellow had hardly mounted him when he found himself lodged on the ground. It was fun for the boys standing around. We don't know whether the fellow who was after the $2.50 enjoyed it or not.

INSANE.—Henry Neaves was arrested last Monday and taken before the County Judge, who adjudged him insane. He was taken to the asylum. There was considerable trouble to secure him, as he had a gun and knife with him, and had threatened those who arrested him. He has been a terror to the neighborhood for some time.

WM. DAVIDSON.—A new advertisement of this real estate dealer and collector, at Portland, will be found in our columns to-day. Mr. Davidson, by a strict attention to business, punctuality and industry, has established a fine business, and we know that persons entrusting business to him will find him prompt and faithful.

D. METZGER.—The readers are referred to the advertisement of this gentleman. It will be seen that he is prepared to furnish curled hair, of Oregon manufacture, at low rates, and that he buys manes and tails of horses and tails of cows. Patronize home industry.

CHERRIES.—Mr. W. N. B. Holmes, of this county, left at our office a limb of cherries about 18 inches in length which contained 175 large cherries; a part of the limb eight inches, contained of this number 135. There were a number already picked off when we received it, and the entire limb must have had originally at least 250 cherries on it. That's what we call some cherries.

PERSONAL.—We had the pleasure of calls during the past week from Eugene Semple, Esq., of Portland, W. T. Newby, Esq., of McMinnville, Hon. B. F. Bonham and W. H. Wadkinds, Esq., of Salem.

FIRE.—An Indian named Mundy, one of the "oldest inhabitants" of this county, had his residence destroyed by fire last Thursday. The loss was but trifling, yet it was all he had.

I. O. O. F.—The following gentlemen were elected officers of Oregon City Lodge No. 3, I. O. O. F., last Thursday evening: E. B. Fellows, N. G.; A. Levy, V. G.; Wm. H. Marshall, R. S.; S. Ackerman, Treasurer; B. A. Hughes, P. S.

ANOTHER BALL.—The Fire Department will give a grand ball for the benefit of the Department, on next Monday evening. Dancing to be at the Odd Fellows' Hall.

BIG STURGEON.—Mr. Barclay caught a sturgeon this week weighing about 150 pounds. Pretty big fish.

SOCIABLE.—A sociable was had in the upper end of town last Saturday evening, at which everybody enjoyed themselves extensively.

SALE.—Sheriff Myers will sell to-day (Saturday) all the property on which the taxes remain unpaid in this county.

GLEE CLUB.—The Oregon City Glee Club are rehearsing for the Fourth. Good singing will be had on the occasion.

DANCE.—A dance is announced to come off at the Court House, next Monday evening.

BAKER'S MONTHLY.—We have received the July number of this popular Magazine. It is filled with interesting matter.

LEAVES.—Mr. H. C. Myers, for some time past engaged in business in this city, leaves next week for eastern Oregon, where he will engage in stock raising. Success to him.

OVERLAND MONTHLY.—We have received the July number of this interesting periodical. It is a credit to the Pacific coast and everybody should read it.

COUNTY COURT.—The County Court for Clackamas county convenes next Tuesday.

NEW AWNING.—The Lincoln Bakery has had its front ornamented with a new awning

---

Does not every one see that there is less probability that the Democrats will carry the next House than there was two years ago that they would carry the present one?—*Oregonian.*

Certainly there is. Eight years ago the Democracy had only one member in both branches of the Legislature, elected by four majority; six years ago they had four members; four years ago they lacked about five of a majority in both branches, and last year they had a majority in both of about one or two, and this time they have a majority of *seventeen.* There is no reason, is there, of expecting to carry the next Legislature? The past is no criterion to go by? There is no doubt of the success of the Democratic party two years hence by a larger majority than this State has ever before given. Mark that prediction and console yourself.

RECEIVED.—We welcome to our exchange list the *Red River Post*, published at Lewisville, Ark., by Smith & Townsend. Everybody knows Capt. V. V. Smith, formerly of Linn county, and will be glad to hear that he is publishing one of the soundest Republican journals in Arkansas.—*Register.*

The V. V. Smith mentioned in the above is the eldest son of the late Delazon Smith, whose memory is dear to every Democrat in Oregon, and the son's recreancy from the path of his illustrious father, shows the degeneracy of the human family. The memory of his great father should have prevented him for all time from associating himself with those who were his deadly enemies.

Those who were present at the capture of the escaped convicts say that no such remark as that very suggestive one, attributed to Hayden by the *Statesman*, was made by any of the prisoners. However, while on their way back to the penitentiary, one of the prisoners expressed his regrets to a member of the capturing party because he did not have *four hundred dollars* with which to get a pardon before the present State officials are ousted. —*Democrat.*

HEARTH & HOME for June 25th contains the first of a series of sketches entitled *Jethro Throop's Night Thoughts*, by JOHN THOMAS, who is no other than PETROLEUM V. NASBY. The great humorist will take an honest country boy to the city, conduct him through the usual experience, and restore him to his home a sadder and wiser boy, satisfied that the peaceful, honest, and temporate life of the farmer is the best and safest life that can be lived. This is a lesson greatly needed at this time, and NASBY is the man to teach it.

Cheerfulness is a great virtue. Hope and fortitude under adverse circumstances are greatly to be commended.—*Oregonian.*

We recommend that you console yourself with these glorious virtues, as they are all that is now left you. Your "adverse circumstances" are greatly to be pitied. Eight years of power is hard to relinquish even in Oregon, but the people have given you your discharge for all time to come.

The Supreme Court of Oregon will be very respectable after all.—*Statesman.*

We are glad that the *Statesman* has such a favorable opinion of Messrs. Prim, Thayer and McArthur. We hope to include Hon. B. F. Bonham in the list ere long.

COMBINATION.—The Radical papers have combined their forces and are now industriously laboring to create the impression that they with Geo. H. Williams are the only parties who can build the railroad on the west side. It is a dodge to influence men to vote for Williams for U. S. Senator. It won't win.

THAYER PROBABLY ELECTED.—The report that Judge Kelsay is elected in the 2d Judicial District is probably premature.—*Statesman.*

That is the first time we have heard a willful falsehood called by the modest name of "premature." There is no necessity of saying "probably," when you know that he is elected by 74 majority.

To the Webfoot B. B. C.:

Hearing of the late boasts of your club that you could "beat the Eckfords easy," we propose the following: We (the Eckfords) will wager from one to five hundred dollars that we can beat the Webfoot Club, to be decided by one game; the game to be played according to the rules of Base Ball, and to be played on neutral grounds. A CARD.

I hereby notify the public, that about three years ago, W. C. Johnson, of Oregon City, at the death of his father, employed me to shave the corpse and my charge for the same was $10 00; that said Johnson is the executor of the estate of his father; that frequently said Johnson told me that he would see the bill paid, but did not pay the same until I gave the bill to him this week. After waiting three years for my pay, said John son complained that the bill was too much, and that I would have to make an affidavit to the account, so that it would be according to law. He then wrote an affidavit for me to subscribe to and his partner administered the oath, for which said Johnson charged me $5, one-half of my bill, and with a smile, informed me that I would get but $5 for it any way. The public can trust such a man if they see fit. THEODORE HIMMLER.

The Vital Statistics of California

Show that periodical fevers and acute and chronic disorders of the stomach and bowels, are among the most prominent and fatal diseases in this State. Disobedience to the laws of health, as regards diet; the use of pernicious stimulants; and the wear and tear of business excitement, and of "fast life" generally, have much to do with the prevalence of these maladies in our cities; while in the interior, and especially in the gold-yielding districts, they are chiefly due to malaria, unwholesome water, and the exposure and privation incident to life in new settlements and mining camps. Now, it is a fact that it is as possible to protect the human system against these maladies, as to guard life and property against the incursions of assassins and thieves. Strengthen the vital organization with HOSTETTER'S STOMACH BITTERS, and it becomes as capable of resisting the active principle of epidemic or endemic disease, as a fire-proof safe is of resisting the action of combustion. This is the experience of thousands who have remained unscathed by malarious disorders in the sickliest seasons, while their neighbors, who neglected to tone and regulate their systems with this unequalled medicinal stimulant, have fallen thick and fast around them. Weakness invites disease. Vigor repels it. Help nature to fight the good fight with infection, whether it be in the air, the water, or the soil, with this matchless preparation,—a compound of the rarest vegetable extracts with the purest of all diffusive stimulants.

Redington's Essence Jamaica Ginger,

Which is confidently recommended as the best prepartion now before the public.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea sickness, or other causes.

It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.
