Our Business.

Last Sunday we received the following letter. On the outside of the envelope was marked. "If not delivered within three days, return to Jas. B. Upton, Portland. or if delivered, make a minute of the date."

PORTLAND, July 16th, 1870. A. NOLTNER, Esq.-Dear Sir:-I reeived a copy of your paper issue of the 16th inst., and find an item commencing at the head of the fourth column of the second page entitled "The Difference." There is no name attached thereto, conseit so to be by return mail.

You will oblige yours. &c., JAMES B. UPTON. To which we immediately replied as

OREGON CITY, July 17, 1870. Jas. B. Upton, Esq.—Dear Sir :- Your cannot see that you have any personal inerest in the article referred to in your letter, and therefore decline furnishing

With due respect, I am yours. A. NOLTNER. We waited almost breathlessly for the hree days to expire which were allowed reply, to see what fate there was in store been rendered. If the cases were placed graph shall be completed, of the Supreme Court. This would give think of their prospects for a railroad : two years before the cases could be decases should be heard without delay. The action of Judge Upton in the matter this year is very different to what it was two

The Railroad Question.

The Radical papers appear to be in every other Democratic journal in the think that Geo. H. Williams and Ben. Hol- Holladay's railroad enterprise, but we laday are the only persons who can either being ever ready to endorse the right and Mr. Bellinger was most painfully silent in build railroads secure land grants, or have of the people of the west side, and, as we honest performance of all public acts. Of regard to him until after election. And the best interests of the people at heart, have said before, we do not intend to be there is not half a dozen Democrats in the They are very fearful that if Williams is humbugged much more if we can possibly their support—of no others do we expect it—and when it is bestowed upon us we it—and when it is bestowed upon us we want it understood that we give them full bemocrat office just after the Albany Conpart and the west side of our State will erate much faster than he has heretofore, vention. Mr. Bellinger has utterly lost not have veilbende and the west side of our State will erate much faster than he has heretofore. not have railroads, and they have declared It is over two years since he undertook privilege to take the same away whenever and it is really due to the Democracy of it through their organs, and Ben, himself has accomplished is to get the benefit of they see fit. But they cannot expect us Linn county that they procure the services has done so, that unless he gets things the original land grant, which we are satof some person to edit the Democrat who just to suit himself be will build his road isfied fairly belonged to the west side. ranks of the Democracy by assailing their only to the head of the valley. It is someprinciples and maligning their members. What remarkable that this railroad in If Senator Williams is a man of such demagogue to aid him in his re-election. Oregon that knows Le has yet completed ated by those land sharks because there how long will it take to complete the road is an opportunity offered by it which will to the State line? Let some good mathematician calculate. It is true, just now roads, and also that the world would pro- bilked a second time. gress if Geo. H. Williams and Ben. Holla- And what is worse than all, the people

day were both out or it. that Ben. Holladay would proceed to build a railroad on the west side of the build the west side road. We are reliably river; and we should not wonder if Mr. informed that he has not yet the posses sion of that franchise, and probably never will get it. If the people of the west side. who have a more direct interest in the matter, know what is best for them, they two railroads, runn ng parallel with each will retain that franchise and trust to other other, and within ten miles, then most cerparties to construct the road for them. tainly he is able to build one road. Let probably gotten up to keep other railroad men out of the State, and besides, suppose If Mr. Holladay is to carry the inthat Mr. Holladay does not build his road terests of the people of Oregon in the palm through Rogue River Valley, there are we had better surrender at once and beothers who will. The bill granting lands come his slaves. It remains to be seen on this route gives it to two companies, whether or not he controls the next Legisand i. Mr. Holladay fuils to go South with lature, irrespective of party. Let the peoand i. Mr. Holladay fails to go South with his road through these valleys, the other company, which is now building two miles for the manner in which the people of the plunges. The Times also says France. Without shadow of excuse or justiffcation. Prussian Ambassador, at Vienna, now here, en route started last night for Berlin of railroad to his one, and over a much west side have been treated.

contest remains between the two powers | worse country, will pass their road through impqua and Rogue river valleys. We believe that it has been and is now the ourpose of Ben. Holladay to monopolize he railroad interests of Oregon, and that or his own benefit and not the people. The following is part of the section of the bill which grants the lands for the construction of the railroad, and it will be seen that the same must pass through both Umpqua and Rogue river valleys, and suppose that Mr. Holladay goes no further than Eugene, the other company will meet time before they would run their road sion. into Portland. Or, suppose the Pengra company get their grant, does not any sensible man know that that company would not stop their road at the head of the valley, but would naturally move down the west side to Portland. He has | Carson. attempted to grab this west side, and thus virtually prevent any prospect of a road being built on that side. If the California company can obtain the franchise of the west side, they will not hesitate to bring their road in the valley, and no man of sense would suppose that that company would build a road to our scuthern boundof the author; or if it is an editorial direct any and stop it there. The whole cry is a political dodge, and bears falsehood and trickery on the face of it. Here is the first section of the bill, and it will be seen from it that the prospects for a railroad through Rogue river and Umpqua valleys are as good independent of Williams and Holladay as they are with them and certainly much better for a road on the west side. If the west side franchise falls into favor of the 16th inst. is duly received. I Holladay's hands he will be complete master of the situation, and will use his power for no good to the people of that

The feel-The Moniteur says France desires the ing in London against France is intense. neutrality of Belgium shall be maintained It is universally believed that the troops recently called home from English colonies have been concentrated in anticipation of the present war. Great Britain has now at home depots 95,000 troops, and between France and Prussia was destroy- can master about 300,000. There is also great activity in the navy. It is reported that secret instructions had been given to French officers that troops shall divide all the land they conquer.

Loxbox July 19 .- The Times this morn-

Peris, July 18 .- La Liberte (Thier's party organ), gives the French Programme. The army will first occupy Hesse to neutralize the Southern States of Germany ; then occupy and fortify Frankfort. From this point they will sweep all Prussian Territory to the left of the Rhine and enter Prussia by way of Westphalia.

with the official declaration of war.
