Chinese Question.

A large number of laboring men [Washington Cor. N. Y. Journal of Comfrom Cincinnati and suberbs recently serenaded Hon. George II. Pendleton, the great white statesman of the West, at his home in At the old stand of Wortman & Fields | Clifton, Ohio. He responded in an appropriate speech, of which the following are extracts:

I object to its adoption because it is part and parcel of a scheme to flood the country with a forced importation of an immense number of Chinese-of coolies-and thus for a second time bring into our midst an alien race and to repeat JEWELERS GOODS. Agent for Wilcox & in a more difficult form the social are now being sold singly at cost, or wholh have so unhappily divided our * * Their skilled laborers get three or four dollars a month, and with this they seem content. They work from daylight to sunset, and have but SADDLES, HARNESS, a single holiday in a year. Their food consists of rice, salt, a few vegetables and sometimes fish. The plan is to bring immense numwell prepared to furnish any article in his line bers of these people here to supply as the largest establishment in the State. He the demand for labor in the fields and the factories and the shops. We in Ohio have not appreciated

> are confronted with duties and interests growing out of their presence. They are an alein an inferior idolatrous race. They have not our tastes, or habits, or manners, or developments, or religion. They are not fit to become citizens or enjoy the rights of suffrage, Amalgamation would injure both their race and ours. Isolation will give rise to great troubles. England, Ireland, Germany, Norway and France, have an overflowing population of our own race, similar to us in blood, in manners, in religious faith—an industrious, sturdy, self-reliant self-respecting people.
