The Anti-Coolie Asociation of San Francisco has recently made a report to the Board of Health, of that city, on the condition of the Chinese quarters. It is stated that from 200 to 300 Chinese lodge at night in one house, that some houses have 500 and others 1,000 lodgers. A three story building on a lot fifty feet square, calle I the "Globe Hotel," has 5,500 inmates. The ground is also scooped out into subterranean apartments, where Protracted from Hidden Causes, gambling goes on day and night, and where other worse crimes are committed. It is also alleged that in these underground recesses, subterranean Courts, with judges and executioners, are held, and that the penalty of death is inflicted upon such Chinese as reveal the secrets of the organization. This may be considedred as rather doubtful. The offensive odor arising from these crowded, filthy abominable quarters is described as sickening to and purge the dwellings of the currence of Asiatic plagues which

feeting power of water has been late. With the exception of char-coal, it is said that no other sub-leom on your cheek as bright? Do you enodors. It absorbs its own volume of some gases, and more than six Are your spirits dull and flagging, given to hundred times its volume of others. For instance, of amonia gas nights? Your back weak, your knees weak, which is one of the largest pro-ducts of decomposition, six hundred and seventy cubic feet is absorbed by one of water. Another offensive odor, alwas present where MOW. READER. abimal matter is decaying, arises from sulphur of hydrogen. Water absorbs two and a half times its | self-abuse, venereal diseases badly cured, and own volume of this. These facts sex al excesses, are all capable of producing a weakness of the generative organs. The are worthy of remembrance and organs of generation, when in perfect health, practical attention. A quantity of water placed in an open vessel in a sick-room, and changed often, makes an excellent disinfectant.

—I have tried Dr. J. W. Murray's Lung and Liver Balsam. I used it in my family with the best of success. I was sick for some months, and used every remedy. I called several physicians, but they did me no good. I exhausted every remedy known to the medical profession, and received no benefit. This Lung and Liver Balsam cured me, and I do not hesitate to recommend it to the public and my friends, as a good and safe and for sale, all kinds of rem dy. Those who know me, as many do in this State, know that I would not recommend them to use a thing that has no merit, because I am opposed to quack remedies. G. W. BROWN, M. D.
