DOUBLE DEALING.—We are informed, on reliable authority, that the communication published in the Herald of January 4th, 1870, over the signature of "Fair Play," was so satisfactory to one of the capitalists of Portland that he gave the author, the editor of the Bulletin, \$100 in gold coin as a token of his appreciation of the merits of the West Side railroad advocate, and that the said article so engrained said editor into the affections of the stockholders and main managers of said road that they gave him their organ to edit, and also that he now is engaged in publishing correspondence written by himself, the knowledge of which he gained while he was in their confidential employ.

A circular has just been issued by Jules Favre, which contains the following points: The policy of France is that of leaving Germany master of her own destinies. Information Wanted.

To the Editor Chicago Tribune: Among the men killed here last spring by the Indians was a man named Bennington, commonly known as Seth Bennington, who is said to have left Illinois in 1852, to have been in Oregon, where he is known to have considerable real estate. He has frequently spoken of his parents as residing in Illinois, supposed to be in the northern part. Will you please insert this in your paper, so that they may know where to address him for further information of value to them?

Notices.

HOLDERS OF TICKETS TO THE GIFT Concert in aid of the Mercantile Library Association, are notified that the Concert is postponed until Monday, Oct. 31st, 1870.

Monday, Oct. 31st, 1870.

Unexpected interferences have operated to make this delay necessary to accomplish the result of freeing the Library from debt, without recourse to other privileges granted by the Legislature, passed February 19, 1870.

This is positively the only postponement which will be made. The Concert will take place on the day above named, commencing at nine o'clock, a. m., and to continue until all the gifts have been awarded.

The funds already in hand are considerably more than sufficient to insure the successful completion of the contract with the public. The sale of tickets will positively close on Friday, the 25th day of October, 1870.

All tickets remaining unsold, that time will be withdrawn from sale and cancelled. They will be advertised by their numbers, on the 25th day of October, 1870, in one or more of the leading papers of this city. An advertisement thus made in the number of tickets drawn, will not affect the number or amount of the gifts. They will be as heretofore advertised, to wit: 628 gifts, amounting in all to \$500,000 gold.

Ticket holders residing out of San Francisco will receive duly accredited lists of the awards of gifts, which will also be published in the leading San Francisco daily papers, on the 1st of November, 1870.

In lieu of gifts will commence November 23, 1870, at the office, No. 213, California street, to all parties presenting tickets to which gifts have been awarded. All gifts awarded to non-residents will be held to their order and for their respective counties.

DR. PIERCE'S ALT. EXT. OR Golden Medical Discovery, is not a fancy drink made of poor poisonous strychnine whisky, proof spirits and refuse liquors, spiced and sweetened to please the taste and land tapers on to ruin, as are the so-called "Bitters" of the day. It is a pure medical extract of native roots and herbs, and is a speedy, safe and reliable remedy for all severe acute and lingering coughs, loss of appetite, "Liver Complaint" or "Biliousness," and Constipation of the bowels. Nothing equals it for purifying the blood, and curing Pimples, Eruptions, Salt Rheum, Scabies, Scrofulous and all skin diseases. Sold by druggists.

THE QUESTION SETTLED.—Those eminent men, Dr. Jas. Clark, Physician to the Queen Victoria, and Dr. Hugh Bennett, say that consumption can be cured. Dr. Wigant knew this when he discovered his BARK & WILD CHERRY, and experience has proved the correctness of his opinion.
