

A Beautiful Thought

A man without some religion is at best a poor reprobate, the football of destiny, with no tie linking him to infinity...

THE HOUSE OF REPRESENTATIVES.—We find the following in the Washington correspondence of the Chicago Journal—radical paper.

The Democratic committee claim that they will have in the next house one hundred and eight members, and that they only require a few revenue reformers (free traders) to secure an organization in the House.

The Territory of New Mexico wants to be admitted as a state into the Union. A population of 200,000 is claimed.

The radicals were very confident of carrying Delaware under the operation of the fifteenth amendment.

George Francis Train, the great American blow-hard, who has been missing for several days, has at last turned up in a French prison.

DIRECT IMMIGRATION TO THE SOUTH.—A movement is on foot to send immigrants direct from Denmark, Sweden and Norway to Mobile, and thence to their appointed destination.

It is said that the republican majority in Illinois, on the State ticket will fall short of 10,000. Two years ago it was 50,000.

The Courier-Journal says: "The New York editors are constantly talking of the Hell Gate obstructions. Let them stop talking and go on."

What is that man may have never possessed, and yet leaves behind him? A will.

If a man's aim in this world be good, the chances are that he will miss fire in the next.

WHICH PLACE.—A fellow in this county who has been for some time paying his addresses to a young lady, a few days ago started for Missouri.

Have You a Cough, Cold, Pain in the Chest, or Bronchitis? In fact, have you the preliminary symptoms of the "infectious archer," Consumption? Know that relief is at hand in Wistar's Balsam of Wild Cherry.

ADDRESS

TO THE NERVOUS & DEBILITATED WHOSE SUFFERINGS HAVE BEEN

Protracted from Hidden Causes, AND WHOSE CASES REQUIRE

Prompt Treatment to render existence desirable.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health?
