Democrats, Be on Your Guard.

The President has sent to Congress a message, with accompanying reports, upon the Southern condition.

The purpose of this dodge is an excuse for a new reconstruction of the Southern States, so as to bring them to the support of the Radicals. It is enough to know that Morton, of Indiana, who is rising rapidly to a bad eminence, proposed and advocates the appointment of a special committee of five Senators, with attachees, &c., to travel South and pick up and-pack up all the falsehoods that ignorant negroes and scoundrelly whites have set afloat relative to Klu-Klux and all that sort of nonsense.

The simple and plain truth of the matter is this:

The country is going to the dogs as fast as it can be driven there by Grant and his special friends. They will commit any crime to secure their pecuniary ends and keep their hold on office. Did not Grant, when he went South after the war, recommend that the South should be admitted to its old status at once for peace and order reigned there? If it is otherwise now, whose fault is it? If the condition is otherwise, it proves that the Black Republican administration of the country is a complete failure, and that instead of being the means of reuniting the sections on the basis of peace, they have driven them further apart. Words are getting to be of no force now-a-days, and it is one of the great, if not the greatest sign of the approaching struggle in which the strong arms of the people will strike, even without challenge of a word, these miscreants from their usurped power. Every movement, it has been observed, made by Grant to his partisans in Congress, has been toward the centralization of all power in the hands of the President and Congress, and we speak sincerely when we assert that we should not be surprised to find on some fine day a proclamation, printed in official papers, of the establishment in due form of a military government.—*Pomeroy's Democrat.*

THE FIRST NAIL.—The authorities of Memphis, Tennessee, have proceeded in a matter which should long since have engaged the attention of every community where decency is regarded and it is esteemed good to guard the moral and social life of the people against evil influences, to wit: the exclusion from the people, so far as the regular channels of trade can be controlled, of the flash sensational papers of the East. The newsdealer of Memphis who shall sell these papers is liable to indictment for a criminal offense, and properly so, for manifestly the man who disposes of these publications over his counter is only in degree less criminal than the publisher who issues them by thousands—it is as ten, or twenty, or fifty copies to one, or five or ten thousand. There are certainly evils of a more serious and dangerous character than these flash papers, but that they are a potent instrument for trapping the youthful mind and leading it astray, we think no man will question, and therefore they should be prevented, as far as it is possible to do so, from circulating.

THE ST. DOMINGO EXPEDITION —THE NEGRO QUESTION ABROAD.—The good United States ship Tennessee is on her way to St. Domingo with the expeditionary party sent out to investigate the island, or, in other words, to "spy out the land." The party includes statesmen, politicians, geologists, meteorologists, botanists, entomologists, ichthyologists and journalists. Best of all for St. Domingo, the expedition is represented by the Caucasian and the African races. Fred Douglass, Sr., is assistant secretary to the commission, and Fred Douglass, Jr., is private secretary of the commission. No doubt General Grant, in this mixed commission, wished to illustrate to the mixed Dominicans the equality of all races and colors in the United States—a shrewd idea, looking to annexation by a *plebiscite*: but how will it work on board ship? We hope there will be the harmony of "the happy family" on board between the two races, for otherwise the main object of the expedition may be spoiled.—N. Y. *Herald.*

ADDRESS

TO THE

NERVOUS & DEBILITATED

WHOSE SUFFERINGS

HAVE BEEN

Protracted from Hidden Causes,

AND WHOSE CASES REQUIRE

Prompt Treatment

to render existence desirable.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys frequently get out of order? Is your urine sometimes thick, milky or flocky, or is it ropy on settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspepsia? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you feel dull, listless, moping, tired of company, of life? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia, or liver complaint?

NOW, READER,

self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health,

MAKE THE MAN.

Did You Ever Think

that those bold defiant, energetic, persevering, successful business men, are always those whose generative organs are in perfect health?

You never hear such men complain of being melancholy, of nervousness, or palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are all ways polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or other meanness about them. I do not mean those who keep the organs inflated by running to excess. These will not only

RUIN THEIR CONSTITUTIONS,

but also those they do business with or for. How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—

IDIOCY, LUNACY,

PARALYSIS,

spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT,

Dr. of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has the pleasure to inform patients and others seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco, Rooms Nos. 9, 10, 11, first floor, up stairs, entrance on either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruits tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened, and sleep disturbed by dreams; melancholy, sighing, palpitation, faintings, coughs and slow fevers; while some have external rheumatic pain, and numbness of the body. Some of the common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks.

Patients suffering from venerial disease in any stage, Gonorrhea, Gleet, Strictures, Bubo, Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regular educated practitioner. The best references given if required.

Patients suffering under chronic disease, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried the boasted doctor, and that advertised physician till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidents to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for Dr. Babtt's Female Monthly Pills. Their immense sale has established their reputation as a female remedy unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to DR PERRAULT, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O. San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

All communications confidential. 1y:4p

PRIVATE MEDICAL AID.

Quick Cures and Moderate Charges

Dr. W. K. Doherty's

Private Medical & Surgical Institute

No. 519 Sacramento Street, corner of Leidesdorff, (a few doors below the What Cheer House.)

(Private entrance on Leidesdorff street.)

Established Expressly to Afford the Afflicted Sound and Scientific Medical Aid, in the Treatment and Cure of all Private and Chronic Diseases, Cases of Secrecy and all Sexual Disorders.

To the Afflicted.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness and all the horrid consequences of self-abuse, Gonorrhea, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, inflammation of the Bladder and Kidneys, etc.; and he hopes that his long experience and successful practice will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

To Females.

When a female is in trouble or afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility and all other diseases peculiar to females, she should go or write at once to the celebrated female doctor, W. K. DOHERTY, at his Medical Institute, and consult him about her troubles and diseases. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All married ladies, whose delicate health or other circumstances prevent an increase in their families should write or call at DR. W. K. DOHERTY'S Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation.

To Correspondents.

Patients residing in any part of the State however distant, who may desire the opinion and advice of DR. DOHERTY in their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held sacred and confidential. If the case be fully and candidly described, personal communication will be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies), will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel.

☞ Consultation—by letter or otherwise, FREE. Permanent cure guaranteed or no pay.

Spermatorrhœa.

DR. DOHERTY has just published an important pamphlet, embodying his own views and experiences in relation to Impotence or Sterility; being a Short Treatise on Spermatorrhœa or Seminal Weakness, Nervous and Physical Debility consequent on this affection, and other diseases of the Sexual Organs.
