Disorders in the South

REMARKS OF SENATOR CASSERLY IN THE U. S. SENATE, JAN. 18, 1871.

Mr. President-It is most unfortunate, though unhappily not at all unusual, in this body, that an attempt should be made by Senators now to forestall and forejudge this mourn over the land that had whole subject of the inquity proposed before the papers have been

Senate.

THE WEEKLY

opened for the consideration of the I think we all understand this subject in its present phrase. There ceedings of to-day show that the is no man of candor here who, whatever he may forbear to say in

tate to admit that the result of the better than the members of this doing's of a special committee to be Senate who have been longest here constituted in reference to the paa foregone conclusion, Why, sir, is it not'too palpable for any body's doubt or contradiction? We had session. Within a year the most distinguished men of the majority here, including the Senator from with
