TOWN AND COUNTY.

DIED .- Mr. D. H. Good died at his residence, in this city, on the 18th inst. He was born in the State of Pennsylvania, or near Oregon City from that time until his death. He was much respected as a citizen, and his place as among the early settlers, will be greatly missed. His sickness was a long and painful one, but he manifested in it the spirit of true Christian resignation and patience, and died in the blessed hope of eternal life, through faith in the precious blood of Christ our Savior. He had been a member of the Episcopal Church for upwards of ten years, and was buried with her beautiful services from St. Paul's Church on Tuesand their works do follow them."

Not DEAD,-Mysteries will never cease. Patrick Pheney, a man we had announced as dead and gone, made his appearance in town last Sunday. He is terribly hostile at us for having reported him dead, and proposes to settle the trouble through derstand that Pheney considers himself injured by this report to the amount of five thousand dollars, but has authorized Doc. to settle up the matter for two thousand. We are only too happy to get off at such a trifling sum when we had "defamed ' the "character" of a citizen like Mr. little sum and say no more about it. We are informed that Mrs. P, was so overjoyed at his return that she took the cars that same day and left for parts unknown.

DISCHARGED .- Mr. Rhodes, a man who has been working in the factory in this city for a number of years, was discharged last week under rather peculiar circumstances. Mr. Rhodes' wife was very sick and he remained at home to attend is foreman in the department where Mr. R. worked, told him he was no longer at home to attend on a sick wife is, to say such a manner, to be destitute of that humanity which should be in the hearts

New Organ.-We neglected to notice Church in this city. It is one of George Prince & Co.'s make, and Is one of the ever heard. It is one of Prince's "Pet organs, No. 40." This Company have a high reputation, and this instrument proves that it is well founded. We congratulate the Episcopalians upon the possession of so good an instrument. We also learn that the Baptists have procured a new organ for their Church.

MAYHEM.—A man named Robert Stansfield was arrested last Wednesday on a charge of mayhem, made by Jas. Kelly. The case was heard by Justice Burns, who very properly discharged Mr. Stansfield. The culprit who preferred this charge place of a piece of his nose. Mr. Stansfield caught Kelly in the act of attempting rape on his wife.] when a scuffle ensued

RAIN.-On Wednesday night, old Jupiter Pluvius opened his fountains upon us, and yesterday the atmosphere was much improved by the dissipation of the smoky clouds that have hing over the valley for the past few weeks. The farmers, doubtless, will welcome the gentle patter of rain upon the roof.

Grand Master of Oregon, passed through here last Saturday on his return home from Eastern Oregon, Washington and Idaho, where he had been visiting the various Lodges under his jurisdiction. He brings good reports from every section.

"Jeems Pipes of Pipesville," was announced to give an entertainment in this disappointment. We see that he left last Sanday morning for San Francisco.

GRAMMAR SCHOOL.-We regret to learn that Mr. Joseph Sellwood, on account of Principal in the Grammar School. Mr. Pope will conduct the school.

Good Appointment .- Mr. Reuben Smith has been appointed Chief Fugineer of the dy. Willamette Transportation Company. We are pleased to note Reuben's promotion. as he is a good mechanic and a gentleman who thoroughly understands his business. look.

Sick .- The man Wilson, who is confin ed in the county jail for larceny, has been very sick, and it was thought last week that he would cheat the law by dying. He was improving at last accounts.

ARRESTED.-Marshal Richardson arrested a man last Saturday afternoon on a telegraphic dispatch from Portland. We learn that he was charged with having

stelen some money. Present.-Judge Caufield has presented us with a beautiful steel engraving of J. H. Van Evrie, of the New York Day-Book, for which he will please accept our

thanks. Pay Train.—The pay train passed up the road last Sunday morning to pay off the hands working for the Railroad Com-

pany. About twenty men were paid at this place, Ix Town.-Capt. Sam. Holmes was down from the Dalles on a short visit to

his relatives this week. He returned yesterday to his home.

Pears.-We omitted last week to return our thanks to Mr. Horace Baker for a fine box of pears left at our residence.

New Departure.-We were around the city last night, and in almost every Democratic crowd that was collected in any public place, and among them all we failed to find any "new departure" Demor. Of course we intend to pay over this crats. At the Golden Eagle Hotel, a number of prominent Democrats were collected, and it was their unanimous opinion that the great revolution in this State is due to the adoption of the socalled "New Departure" more than to any other cause. They cursed the movement, and said that the party in this State deserved defeat for adopting it. The only man who has made a determined fight against the "New Departure" is "Brick" Pomeroy, and we called upon him last evening to see what he had to say about on her. When he went back the next day it. The scenes in this novel show great dramatic power, Passen Through.-E. L.
