OFFICIAL PAPER FOR CLACKAMAS COUNTY.

Oregon City, Oregon,

Friday : : : Oct. 20, 1871.

#### A Proven Falsifier.

George S. Boutwell, Secretary of the tion which is anything but desirable, and Federal Treasury, has published another | the above extract shows barefaced falseof his monthly bulletins, in which he as- bood. In the first place, the Democracy serts that the public debt was reduced have not been in power during the past during the month of September to the ex- ten years in Oregon; in the next place, tent of over thirteen millions of dollars, the editor aforesaid does not know what whereat the Radical press throughout the the expenses of the State are under Demcountry does the usual amount of cack- ocratic rule. The Radicals left as a legacy ling over the steady reduction of the Na- to the present administration a heavy debt tional debt. If the statements of Bout- to pay, and also the sum of thirty-six well were to be relied on, it would be a thousand dollars interest on debts which source of general congratulation that the had been contracted by the Radicals, and debt was being so rapidly reduced (pro- to pay which, the money laid for two vided the bondholders were not being years in the State Treasury, the Governor paid more than they were entitled to), but and his corrupt allies having broken the unfortunately, it can be incontestibly quorum of the Legislature before the approven by Mr. Boutwell's own past state- propriation bill was passed. There was ments that his assertions are not worth a appropriated last session the sum of \$50,rush, and that he might just as well, and | 000 for the new penitentiary, and the probably would just as readily (provided \$36,000 above referred to, makes \$86,be thought the falling cause of the Radical | 000, which no man of sense will place to party might be bolstered up), state the re- expenses. The \$36,000 interest paid is duction at thirty millions per month in- chargeable to the Radicals who have had stead of thirteen millions. To prove that control of the State, and the \$50,000 for Boutwell is a notorious official liar, and the penitentiary is a good and permanent that no reliance whatever can be placed investment, one long since needed, and IIth. upon statements over his official signature, when it is contrasted with the old wooden we will hereby appeal to the record. On shell erected under Radical rule, which July 21, 1868, George S. Boutweil made a cost the State \$36,000, the people will be speech in the House of Representatives. fully satisfied. The building erected by in which he said as follows: In the face of this great fact that in two | 000, and sombody must have stolen at years and nine months (from April 1st, least \$16,000. Will the Oregonian give

dinary taxation and extraordinary efforts, people of this country are not annually to make considerable payments of the public debt of the country ?- Congressional Globe, July 21st, 1868.

Now let us take this statement and the Finance Reports and see how much this man's statements are worth:

July 1. Public debt, p. 276 F. R. . \$2,682,593,026 53 July 1. Public debt, page 25 F. R. \$2,480,672,427 81

Debt reduced in five years..... \$201,920,596-72 This is the amount of the reduction between the dates mentioned, as per the Finance Reports. Let us now take Boutwell's statements:

July 1. Debt reduced from April 1865, special July 21st, 1868...\$1,066,000,000 00

July 1. Debt reduced, F. R. 1869, page XXXI......\$ 261,912,718 31 Julval, Debt reduced, F.R. '70 p.3. \$101,601,916 88

statements together, as follows.

July 1. Debt reduced in 5 years,

Difference between Boutwell and Boutwell......\$\*,237,594,033 47 Thus we find a difference between his of the public debt during the period of about five years of a billion and a quarman's statements regarding the reduction of the debt really worth when they vary the reputation of being the biggest liar in North America. Secretary McCullough placed the principal of the public debt. on the 1st of March, 1869 (when Bontwell assumed control of the Treasury), at \$2.-606,994,693. Secretary Boutwell placed

Debt reduced besween dates..... \$ 188,321,649 December 1st, 1870:

Debt reduced in 22 months.......\$191,154,765 Debt reduced in 22 months......\$188,321,649 Difference between Boutwell & himself. .2,833,116

cord, would be amply sufficient to destroy the credibility of any man's statements. effect, but these are fully sufficient for our purpose at this time. We wish to allude to one other trait of this man's character. Bontwell is not only a wilful liar, but he In the Finance Report of 1866, on page | follows : places the debt of the United States, on June 30th of that year, at \$2,783,425,879-879 21-

1866. June 30. Debt per See'y Treasury, \$2,783,425,879,21 June 30. Debt per Reg'r Treas'y \$2,783,425,879 21 page 276, of the same volume, Allison, Minnesota . . . 140

been changed, as follows:
