Willamette le Stationary with Register at Ten-Six

For reasons best known to itself he old Willamette river is standing ight still at 10.6, and seems inclined o remain there all summer. The lolphin put in against the west hore is only preliminary work, ooking towards the putting in of nore false piers under the old bridge to that traffic may be resumed. Contractor John Whitlock and Superintendent McDonald are both

drive piles until the water is only about seven feet above normal. Even the old ferry cannot be used low, on account of the swiftness of he river current, and the farmers of olk county are still using the trains when they come over to Salem, while he Pinckney Brothers are able to get their milk to the city by using a

scow from the west to the east side of the river. The timekeeper for the bridge company thinks the river will soon subside so work can be resumed on the old bridge. In the meantime, work is progressing on the piers for he new bridge, and it is expected by the contractors to complete one pier n the not distant future.

gasoline launch, which tows a large

TO SPEAK HERE

Three Canadian Army Officers to Tell of Eexperiences in Battle

Manager Ivan McDaniel of the Salem Commercial club, and as representing the state council of defense, has completed final arrangements for entertaining Major F. B. Edwards, Lieutenant Colonel McMillan and Captain E. J. Cook of the Canadian army, now on leave after having tasted in France a few German bullets and shells, who will address the people of Salem and Marion county on the subject of the war. It will be the first time in the history of the present war, that Marion county people have had the chance of looking into the faces of officers in high standing of the allied Canadian army, whose achievements on the battlefields have been one of the remarkable features of the war.

The officers will speak at the armory Monday afternoon at 2 o'clock and Monday night at 8. Governor Withycombe will preside at the meeting, to which there will be no admission charge, and during which there will be no canvassing for Red Cross or any other purpose The lectures are to be educational in their purpose, and the scope will be

a wide one. The Cherrians will escort the Mr. Mc Daniel has asked the Southern Pacific road to run special trains Monday afteroon and evening from Dallas, to give the farmers of Polk county the chance to hear first

hand the experiences of officers from the firing lines of Europe. War-Like Menu Served to Kelly Field Boys

Things with war-like names, but which were doubtless mighty good to eat, made up the Christmas dinner that was furnished the 188th aero could be driven in the river for a 'alse pier west of the channel but east of the channel, where two piers are needed, it will be impossible to the channel but it is: squadron at Kelly Field, Texas, Pri-

service celery. Assorted olives a la court martial. Squad council roast turkey, L W. F. dressing. Cran-berries a la shrapnel. Do your bit yams. Gas engine peas. Pick and shovel asparagus. Shrimp salad, machine gun dressing. K. P. rolls. Assorted cakes squads right. Sick report mine pie. Allied punch, Ice cream, low cold test. Internal combustion cigars. Aviation cigarettes.

Kelly's Court Busy in First Days of Session

Judge Kelly ground out a lot of business yesterday in the circuit court, besides the report of the grand jury for its first day's session. In the suit of Willard Simmons against Erma Olson, et al., order was entered confirming the sale of property previously made by the sheriff.

Complaint was filed by F. N. Der-by against Henry B. Gill asking for payment in fifteen days of \$840 and interest, the further sum of \$810 and interest and \$50 attorney's fees. John Minger and Adelia Minger began suit in equity to quiet title to certain real property against the unknown heirs of Alvin Hicku, deceased, praying for a temporary in-

junction in the premises.

In the suit of James M. Mishley.
et al., against Frank Grimps, nonsuit was entered on motion of the plaintiff.

In the suit of the United States Fidelity & Guaranty company against the Albaqua Lumber company, J. F. Hertzler and G. W. Huffman, nonsuit was entered as to Huffman.

Airplanes Drop Messages Appealing to Strikers

London, Dec. 30 .- During the re ent strike of mechanies in the air plane factories at Coventry, a fleet of army airplanes flew from their aerodrome in the west of England and circled over the town, scattering through the streets thousands of leaflets appealing to the strikers to return to work. Later in the day a chaplain attached to the Naval Air Service in France flew from the front to Coventry in a seaplane, arriving with an appeal from the men of his sir squadron to the strikers to go

The strike was settled the following day.

It takes seventy people to make a

Portland: Welfare of Soldiers Object

Once more Oregon is first in deeds

In Portland yesterday was organized "The Society of Fathers," and this home a man has gone to serve his country, either in the navy or

army." A mass meeting was called in the country court house of Multnomah county, which was largely attended, and enrolled many members in the new war auxillary society. Its object, as stated yesterday by H. C Todd, who had just returned from the Portland meeting, is to be of service in any branch that will have its influence for the bettering of the conditions of the boys in the army or navy. The new organization will make sufficient concessions in the gather all data and compile it, matter and will let the northweste

will be made into other states for facturers shall receive fair but not the establishment of similar organ-exorbitant profits. zations, until every state of the union will have such an organization.

At the Portland meeting Stans-field McDonald was elected president and S. B. Houston vice president. Headquarters in Portland is in the county court house, where desk room has been furnished.

Mr. Todd said that steps will be taken at once to form a similar society in Marion county, and the mothers, grandmothers and grandfa-thers of boys in the army and navy, he says will probably be invited to

Jenks and Allen to Confer with Government Purchasing Agent W. T. Jenks of the Willamette

Valley Prune association, and W. G. Allen, manager of Hunt Brothers company, left yesterday for San Francisco on a general business trip, and to confer with A. C. Kuhn of San Jose, the government fruit pur-

It is in the belief that the accept-ing clause for the purchase of all of the 50-60s and 60-70s of the northwest prunes, the prices originally agreed upon being \$8.75 and \$8.25 respectively—the same prices the California prune crop was com-mandeered for—was subject to revision, will result in fixing a better rate for the Oregon and Washington crops, which had not been commandeered, and had not yet been
