Armenian Relief Committee Getting Ready For Its Mammoth Drive

Manager Gill of the local cimmitee on Armenian-Syrian relief went to Woodburn yesterday in the interest of the big campaign for funds in Marion county. During the week he will visit and arrange for massmeetings in all outlying Marion com-

rounities. The drive for funds in Salem will begin immediately following the big mass meeting in the armory on Sunday night and it is Manager Gill's intention to hold similar massmeetings in at least three outlying towns.

In Salem three colonels will each be in charge of six captains and each of the latter will marshal a team of five workers. Thus provision is made for eighteen teams—one of each of the eighteen voting precincts in the city. Three live wire colonels have been secured and these will meet at 5 o'clock this evening at headquarters in the Derby building to select their quota of Captains. Conscription of Captains and workers will be invoked as the only means of expediting the work. The colonels will select and notify their captains who in turn will select and call to the front their co-owrkers. All of the warhorses of former

of their cooperation and proffers of help as well as contributions of money are being volunteered. The appeal is recognized as one of the strongest and most urgent of any yet brought to the country and every indication points to prompt and generous responses by the people.

Indiana Lady Describes Condition Which She Says Was Due To Constipation and Tells of Relief Obtained From Black-Draught.

Scottsburg, Ind .- Mrs. Annie Johnson, of this place, writes: "I well rememb I suffered for a long time with constipation, which would get me down. I took doctors' medicines and any number of purgatives. They would leave me in a worse condition than I was before taking, and my stomach so upset . . . I know once I suffered . . . from constipation, I was so ill we had to have the doctor, just so nervous and feverish. The doctor said I would have to quit medicines, my stomach was so bad . . .

My husband was reading and found something about Thedford's Black-Draught and brought me a package to try. I used it regularly at first until I began to feel better, then I used just a dose occasionally. I was cured of this constipation and am sure the Black-Draught did it."

lt your stomach is out of order, you will suffer from such disagreeable symptoms as headache, billousness, indigestion, etc., and unless something is done, serious trouble may result.

Thedford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, helping to regulate the liver and to cleanse the bowels of impurities.

Try Black-Draught.
