River is Rising Again—At 4 o'clock yesterday afternoon the Willamette river had risen to the height of 17.1 and there was about three feet of water on the floor of the warehouse of the O. C. T. dock. The boats are not running, and the O. C. T. office was closed all day. At the old inter-county bridge all the men can do is to keep floating logs and trees from knocking the piers over, and creating another disaster. It seems that the heavy rains to the south of Salem, all through the valley, have swollen all the streams so that the Willamette is a raging torrent, carrying a large quantity of debris.

SENATE TOLD DANGER OF AMERICAN DELAY

(Continued from page 1) certainly neither the shipping board nor the navy department knows. Food Relief More Important—Senator McCumber recommended that the United States stop sending soldiers to France now and use all available tonnage for food for the allies, stimulate efforts to attempt to produce a ship immune from torpedo attack and to make a full and adequate test of reinforced concrete vessels.

He said he believed the allies would emerge from the war after securing the peace laid down by President Wilson but was equally certain that unless we come to the support of our allies with shipping facilities many times greater than we propose, some of our allies will fall before we can take their place on the battlefield.

Another message which Count Bernstorff had forwarded was from Havana, as follows: "To, Rio de Janeiro, telegraphs steamer Araguaya left Buenos Aires January 20. The captain is carrying important papers. Capture very desirable. Caillaux is on board. In case of capture Caillaux should in an unobtrusive way be treated with courtesy and consideration. Can you inform cruisers?"

German Press Instructed.—The instructions to the German press on June 16, 1915, follow: "For political reasons it is urgently requested that nothing be written about the former French prime minister, Caillaux, and that his name be not mentioned in any circumstances. This correspondence, although no official announcement to that effect is available, is made public by arrangement with the French government, which desired its exposure. Caillaux now is awaiting trial in France for treason, on revelations developed by the celebrated Bolo Pasha case. Two Others Are Arrested.—PARIS, Jan. 16.—Louis Loustalot, member of the French chamber of deputies from Landes, whose immunity recently was suspended in connection with the Caillaux case, was arrested this morning. Paul Comby was arrested also in connection with the investigation. Comby is said to have accompanied Deputy Loustalot to Switzerland to see Abbas Hilmi, the former khedive of Egypt. The chamber of deputies sustained the government action in the Caillaux case late yesterday by a majority of 274 out of the 484 members present. The vote was taken after the government had been interpellated by Ernest Lafont, a Socialist deputy, who held that the opening of Caillaux's safe deposit box in Italy in the absence of a representative of the accused was illegal. After repeated calls, Premier Clemenceau arose from the government bench and said it was the Italian government which had presided at the search of the safe in the Florence bank, and France was obliged to suppose that all legal forms had been observed.

ENDEAVORERS TO MEET AT EUGENE

Plans are being made for the biggest Christian Endeavor convention ever held in Oregon, to be held in Eugene, Friday, Saturday and Sunday, February 22-24. There will be special trains run over the Oregon Electric railway between Portland and Eugene and special rates will be given on other roads, according to a circular being sent out by the Eugene committee in charge of the preparations. There will be two conventions held this year. One for eastern Oregon to be held at Bend, February 15-17, and the one at Eugene. Lloyd Carriek will be at Eugene to tell of the Christian work and army life at Camp Lewis. There will be a big banquet held Saturday night.

In connection with the conventions is a special call for prayer during the month preceding the convention. This month of prayer commences January 21. The second week of the month, January 28 to February 3, has been designated as Christian Endeavor week, and a program of daily texts has been prepared, which can be secured from local associations.

Sunday, January 20, has been designated as special registration day for the registration of those who will attend one or the other of the two conventions. It is expected that over 300 will visit Eugene.

British Sinkings for Week Show Big Decrease

LONDON, Jan. 16.—Another marked decrease in the sinkings of British merchantmen by nine or submarines in the past week is noted in the report of the admiralty, issued tonight. In this period only six merchantmen of 1600 tons or over were sunk, in addition, tow merchantmen under 1600 tons and two fishing vessels. In the previous week the admiralty reported the loss by mine or submarine of eighteen merchantmen of 1600 tons or over, three merchantmen under that tonnage and four fishing vessels. The report of January 2 gave the sinkings as twenty-one, eighteen being 1600 or over.

DO MOTHERS ERR?

When we hear of so many school girls and girls in stores and offices who are often totally unfit to perform their daily duties because of some derangement peculiar to their sex, might this not have been prevented by the mother who, perhaps through neglect or carelessness, failed to get for that daughter the one great root and herb remedy for such ailments, Lydia E. Pinkham's Vegetable Compound? This old-fashioned medicine is said to have alleviated many suffering of womankind than any other remedy known to medicine.

CHIEF COOPER LAID TO REST

Friends of Official Crowd Church Where Last Rites Are Said

"Chief" was the significant word on an immense floral piece which signified the life and capacity of Emerson E. Cooper, late chief of police of Salem, whose funeral was held yesterday afternoon at the First Methodist church. The church was crowded as a large procession followed the mourners to Odd Fellows cemetery where the last rites were said.

In tribute to the late chief, many business houses closed during the time of the services, from 2 until 3:30 o'clock at the church. The funeral sermon was preached by Rev. H. C. Stover, who was assisted by Rev. E. N. Aldrich. The Masonic quartet sang impressively, "Bear Him Home," "Remember Me Oh Mighty One" and "Nearer My God to Thee." The local Elks lodge conducted ritualistic services at the church and at the cemetery. "Rock of Ages" was sung at the graveside.

The complete police force of the city acted as honorary pallbearers. The active pall bearers were Ben F. West, F. L. Waters, C. D. McElroy, W. A. Weist, Ray L. Simeral and Carl Engstrom.

Grant School Is Leader in Red Cross Activity

The Junior Red Cross has been prominently before the Salem schools only during the present week, but the Red Cross activities are no new thing to any one of the various schools.

As a proof of this Grant school, the home of Herbert Hoover when a Salem boy, submits the following: There are now sewing in various departments of the army and navy one of last year's teachers, one grade pupil and nine or more junior high boys. The ninth grade pupils made fruit cakes and sent these for Christmas while scrap books and trench candles were made by practically all pupils, but the domestic science department has made and collected the following articles: Wool garments, thirteen hoods, twenty shirts, twelve skirts, twenty pair stockings, nine pair booties, two pair boy's union suits, thirteen kimonos, eight coats wool and cotton, thirteen baby bands, ten cutting flannel night gowns, three blankets, ten play suits, three small caps, and six pair leather shoes, besides a miscellaneous assortment of soap, talcum, pins, needles, thread, thimbles, candy, ribbon, tape and buttons.
