Doney to Leave for Europe Early Part of Next Week

Dr. Carl Gregg Doney, president of Willamette university, expects to leave for Europe the early part of next week.

The students of the university yesterday voted to go to the church Sunday in a body and give the president some rousing yells and college songs. The club will sing.

Some students thought it fitting that some token of appreciation be extended their president and a committee of three was appointed to find some article that would make an appropriate gift. Those who will serve on the committee are: Miss Ruth Spoor, chairman; Miss Margaret Mallory and Donald Matthews. The gift will be presented to Dr. Doney at the church Sunday night.

Willamette Student Body Will Buy Service Flag

At the regular meeting of the Willamette university student body yesterday \$26.75 was raised in short order for a service flag to contain a star for each university man now in the service.

Yesterday morning hats were passed and every student put in a quarter, dime, nickel or penny and the goal of \$20 that was first set was passed quickly.

The flag which should be on hand soon now will contain nearly a hundred stars and will be hung in some appropriate place in the halls.

BAIT ALL GONE.

Alas for the tragedies of human life! Jim Shepherd has been covered with gloom of late. "What's up, old chap?" queried his lifelong chum, Fred Elliott. "The

lovely Laura decided she can live without you?" "Woman," says James, profoundly, "is a delusion and a snare. The worst of it was she never said 'No' till I'd spent all my cash on her." The despair in his tones was real and deep. "Never mind," said the cheerful Frederick. "There's as good fish in the sea, you know, as ever were caught." "That's true enough," said James, "but" he breathed a deep sigh—"what's the good of that when you've used up all your blessed bait?"—Philadelphia Star.
