 Had a tactful way of intimating to his friends that he liked them to be punctual. He presented them with a watch. Probably they took the hint, at all events they must have been pleased with such a gift. For watches were rare and costly articles in those times. Hartman Bros. Co.'s store offers the best watches that can now be procured at prices to suit all.

**"DRY" FORCES OF COUNTY ARE FOR NEW PARTY**

**Prohibitionists in Convention Adopt Resolution Favoring Union**  
**DELEGATES TO GO EAST**  
**Stirring Addresses Made at Session Held in Salem Yesterday**

A handful of the faithful attended the meeting yesterday afternoon in the W. C. T. U. headquarters, when a resolution was adopted favoring union of Marion county prohibitionists with the new national party, at a convention held in Chicago on March 5 next. The object of the meeting yesterday was to arrange for delegates to meet in Portland next Saturday, February 23, at which time delegates will be selected from Oregon to go to Chicago.

A. J. Cook was the chairman of the meeting and Oliver Jory secretary. In a somewhat lengthy address Mr. Jory reviewed the work of the Prohibition party of Oregon for some years past, and bitterly criticized the actions of some of the state's leading politicians of a few years ago, the governor, Hon. Chas. W. Fulton, T. T. Geer and others, as well as the daily papers of Portland and Salem, in what he considered the attitude of the government in the liquor question would either win or lose the war now in progress in Europe.

The movement now on foot is to amalgamate independent thinkers in the old parties, progressives, farmers social-labor groups, tax reformers and ex-socialists and other reformers into the proposed new National party. Mr. Neff stated further that efforts to be crystallized in the coming fight, and for that reason he urged as many should go to Portland next Saturday as possible, to take part in the deliberations there and the appointment of delegates to go to Chicago on March 5.

The resolution follows: "Whereas, after many years of effort and great sacrifice of time and money, we, the prohibitionists of Marion county, consider the time is now propitious for a union of all reform forces along the line of prohibition and economic administration of our government, to the end that we have an honest and economical administration, thereby to reduce the burdens of government to a minimum, therefore, be it  
 "Resolved, That we are in favor of such a union, that while it fully covers our ideas on prohibition and other reforms, it will bring with it such strength as will assure their adoption. Be it further  
 "Resolved, That we favor such a union."  
 The resolution was signed by A. J. Cook, chairman, and Oliver Jory, secretary.

Oleth Looney, Miles Peters, Kenneth Beach, Charles Cooney, Raymond Cooney, Orlando Smith, Corvalis; Willis Frady Alpine; May Hawley, Alpine; Waldo Byers, Muriel Hampton, Fred Rohman, LaVerne Pierson, Loren O'Grara, Sigel Partlett, Martha Hogue, Karlton Durkheimer, Richard Sumus, Edna Murphy, Buford Bybee, Adelbert Park, Irene Swanson, James Rice, Winifred Fitzpatrick, Richard Rice, Pendleton.

**"Rattlesnake Pete" Is Visitor at Turner Home**  
 Benjamin H. Inman, known in eastern Oregon as "Rattlesnake Pete," was a visitor at the office of Governor Withycombe yesterday while en route from Camp Greene, North Carolina, to his home on the Umatilla reservation, near Pendleton. Inman, who was a member of Troop D, the original Pendleton cavalry contingent, by accident lost the sight of one eye while at Camp Greene and was honorably discharged. Mr. Inman was a guest of the F. A. Turner home while here.

**Certificate of Teacher Revoked Rest of Year**  
 J. A. Churchill, state superintendent of public instruction, yesterday revoked the certificate of Miss Lillian M. Schassen for the remainder of the present school year for the reason that she failed to live up to a contract to teach an eight months' term of school at Kent, Sherman county.  
 Miss Schassen began her term September 10 and resigned Novem-

**George Palmer Putnam Is Given Federal Post**  
 Information was received in Salem yesterday that George Palmer Putnam, formerly secretary to Governor Withycombe, has been appointed a special agent in the department of justice. Since leaving Salem Mr. Putnam has spent most of the time in Connecticut.

**Smelt Scarce Just Now**  
 As there has been some talk about the high price of smelt on the local market, it may not be amiss at this juncture to take a statement from the price lists in Seattle and Tacoma, wholesale. The price of smelt at wholesale has advanced one-half a cent a pound, but today the price of smelt in Salem is just the same as it has been for several days past, 10 cents a pound at retail. When it is considered that express and cold storage charges must be paid, the retail price here is considered reasonable. The gill netters in the Columbia river are now getting the smelt before they have a chance to get into their spawning grounds in the Cowlitz, Wash., river. W. S. Fitts said yesterday this is the cause of the scarcity of smelt just now. Later when the fish are given a chance to reach the Cowlitz river, prices will be about the same as last year, six pounds for 25 cents.

**URIC ACID IN MEAT BRINGS RHEUMATISM**  
 Says a Little Salt in Water May Save You From Dread Attack.  
 Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat, but drink plenty of food water.  
 Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid, which is absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid, which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism.  
 At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.  
 Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which helps overcome uric acid and is beneficial to your kidneys as well.
