I was told that the War Work Limitless Loquacity. Council has 15,000 applications from men and women who wish to join their service. Utmost care is used in selecting the workers and a remarkably efficient company is the result. In the group of 140 of which I was a member, there were professors from Harvard, Columbia, Princeton, Lawrence, Idaho, Lehigh and other colleges; noted ministers and lecturers; authors, bankers, business men, several chauffeurs and twelve women. Most of them are donating their services and some even pay their ex-

Sailing Delayed. Our ship did not sail on time, though all of the passengers were on board and they remained there, too, no shore leave being allowed. The captain explained to us that legally we had sailed at the announced time and consequently it was impossible for anyone to get ashore.

War Work Studied.

Everyone was eager to learn more about the work he was to do and, therefore, it was deemed advisable to establish instruction in French, International Law, History, Y. M. C. A. Methods, etc. On the first day out

the "Red Triangle" University" was founded, having the writer as president and Dean Holiday of Toledo dent and Dean Holiday of Tolodo University as dean. The faculty consisted of twenty professors and the student body numbered over two hundred, a large body of Jackies being admitted.

Camouflage on Shipboard. Regular classes were held daily during, the voyage and hard work was the rule for all except those who were excused for illness. Only three headache, loss of appetite, general debility and the like. Camouflage is not confined to inanimate objects.

there is no other like it.

Greetings to Willamette. will be postponed. And for the same these soon. reason I shall not speak of the Red Triangle work in detail. My own plans are to speak again here nex. NON-PARTISAN Sunday then go to an American camp for three weeks, giving an address in a different hut each night. At the conclusion of that itinerary, I am to visit a French camp for three weeks to get some notion of the poilu's Small Auto and \$16 Will year of over \$27,000,000, The thoughts and ways and then I shall go to other American camps, speak ing and trying to tell the boys some thing of what they may expect when they mingle with the French soldier. There is a strong effort being made o have the Franco-American rapproachment intelligent and vital, It cannot fail to give rise to some evils unless there is an element of sympathetic understanding, and I count myself fortunate in having a part in a work so essential.

Finds Great Joy in the Work. My very best regards go to every professor, student and friend of "Old Willamette." I trust the student campaign is on and will so continu as to insure a record enrollment next fall.

France is wonderfully heartened by the presence of the Americans and the Americans are delighted with the spirit of the French.

Someone says that France, if attack on western front, is ten times as strong to repulse it as she vas when Verdun was when assaulted about the cost one must pay for a two years ago. We count ourselves small jar of the ordinary cold as fortunate to be here at this time. It is a time of decision, many think and if we can have a helpful part in it we shall be glad. The whole opportunity and privilege seem to be lemon juice is used to bleach and opening to my mind in an amazing way. However I am sure that I am skin softener, smoothener and beaustill on the edge of things. There is tiffer. regret and joy, a confusion of feeling. But it is wholesome and I think one cannot be here without experiencing a reaction which will largely

BLAMES PRESS

Bring Political Control, Says Townley

ST PAUL, Minn., March 21 .- A C. Townley, president of the National Non-Partisan league, and Lynn J Frazier, governor of North Dakota, elected by the Non-Partisan party. were the principal speakers at the league's convention here today. Both of them criticised the state administration for the attitude taken throughout Minnesota in regard to

Girls! Use Lemons! Make a Bleaching, **Beautifying Cream**

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quarter pint of the most remarkable lemon skin beautifier at creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in. Then this lotion will keep fresh for months. Every woman knows that remove such blemishes as freckles, sallowness and tan and is the ideal

Just try it! Get three ounces of orchard white at any pharmacy and tablished in towns in France that are two lemons from the grocer and near American military encampments make up a quarter pint of this for the benefit of American soldsweetly fragrant temon lotion and jers who belong to the order. It is massage it daily into the face, neck, explained that the move would not be arms and hands. It naturally should in conflict with Y. M. C. A. war huis help to soften, freshen, bleach and or similar institutions, but would be bring out the roses and beauty of designed to serve as lounging places any skin. It is simply marvelous to for soldier Elks when in the French smoothen rough, red hands.

Non-Partisan league organization work and meetings. Speaking of the economic program

of the league, Governor Frazier said: there ever was a time when waste should be eliminated that time is now. The government has instituted changes in our system of distribution to eliminate waste. The question is whether these changes should be continued after the war. organize to protect yourselves

against big monopolists."

President Townley said he had delivered his message "several thousand times." and asserted he had been lied about by the press of the country, adding that "all that is nechad to keep him out of school for a essary to gain political control of a state is the truth, a small automobile and \$16."

"At the convention here last September the farmers of the northwest pledged their loyalty to the government." he continued. "The farmers did then and do now stand behind the administration. We now call upon the steel trust and the beef trust fices in other buildings. They have on all Red Triangle people and soule children are asked to try this famous and the flour trust and all those multi-millionaires who are reaping profits out of the war to stand behind the president. Of course they are standing behind him but they are standing too far behind him."

In a telegram to President Wilson, sent by the convention and signed by A. C. Townley, president, the city. The Moulin Range, La Chat representatives of the farmers of Noer, Le Rat Mort, and other places Minnesota, affiliated with the Naed the president's statement of war aims and unequivocally pledged

"Do not be misinformed by poliprofiteering that still largely ccttributes to the burdensome cost of living.

"The heart of America beats loyal France is the meeting place of the and strong and we know that you One meets people from all believe in us despite the vile slanders of a subsidized press." just finished going over the records.
