### Grain Prices Weaken: Corn Closes Unsettled

CHICAGO, March prices weakened today, owing chiefly to the bearish effect which developments appeared to have exercised temporarily upon the New York stock market. Corn closed unsettled 1-8 to 1-4 to 8-3c net lower with March \$1.27 3-4 and May \$1.25 3-4 to 7-8. Oats finished 1-2 to 5-8 off to 1-8 advance. Provisions wound up at virtually the same figures as on Saturday. Reports that an increase of oats acreage would be at the expense of corn helped somewhat to steady the corn market in the late dealings. Rallies in Wall street quotations tended likewise to give a little more cour-

age to holders. New buying on the part of export interests aided in counteracting the weakness of the oats market. War happenings and a likelihood that the Illinois acreage of oats would be enlarged had previously led to general commission house selling. In provisions, demand from packers overcame the influence of lower

quotations on hogs.

Selling Recovers in Face of Most Disturbing News-From Abroad

NEW YORK, March 25 .- Viewed from almost every angle, today's stock market, it was generally conceded offered substantial proof of sound fundamental conditions on the face of very trying circumstances. News from abroad over the weekend, supplementing that of last Saturday, was sufficiently disturbing to

selling orders, but once these were assimilated, the list promptly recovered. A wide variety of stocks broke from two to almost four points in the first fifteen minutes, the decline in several noteworthy instances indicating the urgent character of the selling. Before noon, however, virtually all initial losses were replaced by gains over last week's finals. Investment rails and seasoned in-

dustrials, in which early recessions averaged two points, were among the first to rally, Reading, Union Pacific, United States Steel and some of the high priced specialties finishing at gains of large fractions to over a noint. Total sales amounted to 665,-000 shares. Despite the better bank statement

of last Saturday, money showed a

disposition to harden, advancing to 6 per cent after its first offering at five. Time funds were scarce at 6 per cent for all dates. International issues reacted with the general bond list under the weight of early selling. Anglo-French 5's and French state and municipal issues lowering from onehalf to 1 per cent. Liberty issues were firm in the main on lighter dealings. Sales, par value, aggregated \$3,675,000. United States

### Silverton Knights Make Drive for Stamp Sales

SILVERTON, Or., March 22 .- Believing that Silverton had not done its share toward purchasing thrift stamps, the local Knights of Pythias lodge inaugurated a successful drive recently at a natriotic meeting of

Knights of Pythian Sisters. Past Chancellor George Cusiter, in opening the meeting, made a brief address, and L. C. Eastman, secretary of the lodge, explained the proposal. When the stamps were offered for sale they went like wild fire and the amount received from the sales was \$749.75.

The drive will continue for some time, and children of Pythian families have entered a contest for the sale of stamps, the lodge offering thrift stamps as premiums for those selling the largest number. Cards and dancing afforded enter-

tainment for the occasion.
