STOCK DEALING IS HELD DOWN

Lack of Definite Advices From Battlefields Held Responsible

NEW YORK, April 2 .- Transactions on the stock market today amounted to only about 160,000 shares, the most insignificant total for a full session with one or two exceptions since the mid-summer of 1916. Lack of definite advices from across, the water was perhaps the chief deterrent but the undertone aside from moderate heaviness of investment rails, indicate no diminution of confidence in the outcome of the German drive.

Pressure against a few special stocks such as Studebaker and kindred issues, resulted from recognized trade conditions and resulant doubtful dividend prospects.

Oils, utilities and some minor

equipments denoted increased uncertainty regarding new federal price schedules and irregular reactions in secondary specialties were ascribed abatement of pool activity Call money was extremely easy by reason of the apathetic stock market,

cent. Numerous time loans for the shorter periods were made at 6 per cent. The general bond list lost little ground but liberty issues, except the 3 1/2 's were heavy. Total sales, par value, aggregated \$4,550,000.

United States bonds, old issues

were unchanged on call. February Exports do Not Decline in Value

WASHINGTON, April 2 .- Export of foodstuffs in February showed no decline in value as compared with the same month last year, despite the shipping tie-up due to paralysis of railroad transportation, it was announced today. The exports amounted to \$110,000,000 and the total for the first eight months of the fiscal year was \$803,466,738. In February, 1917, foodstuffs sent abroad were worth \$89,000,000 and for the first eight months of the fiscal year

were worth \$759,900,000. Officer-Halt! Lie down immediately where you are. Not another

yard's advance! The Man in the Stream-Excuse me, sir. I don't mind getting wet, but I've got in my pocket the only box of matches in the whole platoon.
