King Emmanuel Appreciates Help America As Ally Is Giving Italy

ROME, April 4.—King Victor Emmanuel, in receiving H. P. Davidson, chairman of the American Red Cross war council, today expressed deep appreciation and admiration for "the manner in which the American Red Cross has shown to Italy the support and sympathy of the American people."

The king said that not only had this in itself been of great value, but the way in which the assistance had been rendered had made it doubly valuable. The whole Italian people had been impressed with the character of the men sent here by the American people to do the work. "Italy," the king continued, "feels a very warm spirit of understanding and sentiment for America. Italy delights to think of America as the ally of Italy and knows that the

Yamhill County Farmers Would Help Pay for Roads

Farmers and other citizens of Yamhill county are so anxious for improved roads that they have made a proposal to the state highway commission whereby they will do all the necessary grading and contribute \$2000 a mile toward pavement of any road in the county. D. M. Kirby of McMinnville was at the office of the commission yesterday and said that he and another man recently secured subscriptions of \$5400 in ten hours to be applied to road improvement. Mr. Kirby brought to the attention of the commission the need of further pavement on the road between Sheridan and McMinnville, a stretch of about fourteen miles. Four miles is already being paved.

MARION COUNTY VETERANS MEET

Day Is Marked by Grand Banquet, Eloquent Addresses and Music

The Marion County Veterans association, made up of the G. A. R., W. R. C. and veterans of the Spanish-American war, held its annual meeting in the armory yesterday afternoon. About 300 members mobilized for the 12 o'clock "drive" on the dinner tables, spread with a Hoover's feast of good things, and the way the "old boys" attacked the viands was reminiscent of the manner in which they went after the baked beans and "sow belly" back in the "60s."

The principal features of the afternoon program were the stirring, patriotic addresses delivered by Justice McBride of the supreme court, Louis Lachmund, and Chaplain James Lysle of the local G. A. R. post. In these addresses was emphasized the duty of the veterans and the W. R. C. as to their attitude and influence in the present world crisis. Comparing the present conditions with the dark days of the Civil war, they were exhorted to meet the present exigencies with the same spirit they bore in the old days. It was held a most encouraging fact that the younger generation is emulating the fathers and mothers in their ideals and their devotion to their country in its days of struggle and sacrifice.

Tribute Paid Comrades

A fitting tribute was paid to the comrades who have departed during the past year.

Other items of pleasure and entertainment on the program were vocal numbers by Mrs. C. C. Simmeral, Mrs. F. L. Waters and 12-year-old Miss Larson, of Woodburn, who surprised the audience of her fine rendition of solos. A couple of recitations were also contributed in good form by Master Avery Thompson.

Among other items it was voted that a surplus of \$17.50 which lay in the treasury of the association should be turned over to the Red Cross; and afterward a collection was taken up increasing the amount to about \$30.

Full Loyalty Urged

In the evening there was a special meeting for the purpose of effecting a new organization within the association, giving the membership a little more latitude in the matter of social and other activities.

The following resolutions were presented during the afternoon session and were adopted with enthusiastic unanimity:

"Whereas, The guiding principles of the Grand Army of the Republic are loyalty to the government and the preservation of democracy, as guaranteed by the constitution, and

"Whereas, Any propaganda proving a menace to said cherished principles demands and should receive the united action of all loyal persons in an effort to safeguard the welfare of the government; and

"Whereas, Our government is confronted by hordes of foreign born persons, aided and encouraged by disloyal native Americans, engaged in a gigantic effort to defeat the cause of democracy; and

"Whereas, Under present regulations governing the admission of foreign born persons, this condition may possibly continue after the close of the present war therefore be it

"Resolved, That Sedgwick Post No. 10, Grand Army of the Republic, Department of Oregon, looking toward a united citizenry, hereby earnestly demand that the congress of the United States promptly enact such laws and regulations as shall eliminate all immigration which will not prove a source of strength to the Republic in times of stress; and further, that all aliens belonging to social or political organizations which tend in any way to subvert our democratic government as typified by the constitution and the laws of our country, be deported, and that all others adhering to such organizations be forever disfranchised

"Resolved, That no foreign born person shall be permitted to take government land, or be privileged to vote until he shall have taken out his final papers and become a full citizen.

"Resolved, That copies of these resolutions be sent to the various posts of the Grand Army for the Department of Oregon, to the department Encampment when it shall meet at Albany, that said encampment be requested to transmit the same to the national encampment when it shall meet at Portland, with such recommendations as said encampment may deem wise, and that said national encampment take the necessary steps to properly present

Breathe Hyomei.
Have you a cold?
Breathe Hyomei.
Hyomei is the only treatment for all nose, throat and lung troubles. It does not contain any cocaine or morphine and all that is necessary is to breathe it through the little pocket inhaler that comes with each outfit.

A complete outfit costs but little at drugists everywhere and at Daniel J. Fry and Hyomei is guaranteed to banish catarrh, croup, coughs, colds, sore throat and bronchitis or money back. A Hyomei inhaler lasts a lifetime and extra bottles of Hyomei can be obtained from drugists.

Yamhill County Farmers Would Help Pay for Roads

Farmers and other citizens of Yamhill county are so anxious for improved roads that they have made a proposal to the state highway commission whereby they will do all the necessary grading and contribute \$2000 a mile toward pavement of any road in the county. D. M. Kirby of McMinnville was at the office of the commission yesterday and said that he and another man recently secured subscriptions of \$5400 in ten hours to be applied to road improvement. Mr. Kirby brought to the attention of the commission the need of further pavement on the road between Sheridan and McMinnville, a stretch of about fourteen miles. Four miles is already being paved.

The SPINAL CORD

Carries the messages from the brain to all parts of the body. These messages tell each part of the body how to perform its functions.

If this line of communication (the spinal cord) be interfered with, the messages do not reach their destination and that part of the body does not function normally. This is called disease. Pressure of a vertebra on the spinal cord produces this result. Chiropractic remove this pressure and health is the result.
