**TAKE YOUR MEDICINES**

**Regularly This Spring—Hood's Sarsaparilla Before Meals—Pepsin After.**

This combination is having wonderful success everywhere. It is relieving rheumatism, expelling humors, restoring lost appetite, giving the glow of health to the cheeks, making faces bright and complexions clear and literally giving worn-out, brain-fagged people new ambition and the strength of iron.

For it combines that most useful of all metals—iron—in a course of medicine that is peculiarly effective. Hood's Sarsaparilla is a tonic from an unsurpassed formula of blood-purifying and stomach-treating remedies, and Pepsin from pepsin, iron, nux and other blood and stomach tonics that physicians prescribe.

In cases where a cathartic is needed, Hood's Sarsaparilla and Pepsin are very effectively supplemented by Hood's Pills, relieving biliousness, constipation, and all liver ills.

**WILL FLY THE FLAG.**  
Silverton, Or., April 19, 1918.  
Editor Statesman:

In response to the question asked me by the members of Hal Hibbard Camp No. 2, United Spanish War Veterans of Salem, Or., "Will I, if elected county judge, see that the emblem of our liberty (the flag) flies from the courthouse flag pole?" As a true, patriotic, loyal citizen, I would deem it the highest privilege and my most sacred duty to see that the Stars and Stripes of this splendid nation, which means so much not only to the people of this nation, but to all the people of all the world, floated proudly from the courthouse flag staff, every day in the year.

Very truly yours,  
—L. J. Adams.
