Salem High and Eugene Will Play Here Saturday

Information comes from Eugene that the dopesters who are keeping

tab on the Eugene high school baseball team have that nine slated for a victory over the Salem high school team next Saturday when the two teams meet in Salem. The Salem team will play a return game the following week.

Clark or Thompson will probably pitch for Eugene. The Eugene boys have been having some trouble filling the infield positions, particularly at first base. Veatch, who was holding down the place, has been forced to quit the team because of other work interfering.

ST. LOUIS 4, Cincinnati 5.
CINCINNATI, April 30.—St. Louis made a determined rush in the ninth inning, but fell one run short of overcoming the lead which Cincinnati had acquired off Packard. The visitors outthrew the locals nearly two to one. In the ninth, with two men out, Baird, Hornsby and Cruise singled and Paulette doubled, the rally being good for three runs.Score: R. H. E.

SPORT CHATTER

One nice thing about the wrestling game is that all bouts are "championship" contests.

"Pep" Young's sweet hitting has caused a radiant smile to bloom on the map of Johnathan McGraw, the Giant's boss.

Postponement of the all Alaska sweepstakes dog race until next year was a keen disappointment to all except the dogs.

It seems to have been just as easy to form a new Intercontinental league as it was for the Pirates to break into the first division last year.

Perhaps Jess Willard wanted to show up his former manager, Tom Jones, when he confessed to being 40 years old. Tom claimed that Jess was 38.

Perhaps the Philly climate will help Cy Williams to pasture better than he did with the Cubs. When he first broke in Cy looked like a top liner.

Secretary of the New Jersey boxing commission will serve without pay. Now if the boxes will only serve without pay what a haven of delight Jersey will be for the managers.

Heinie Zimmerman is greatly interested in the proposed Bronx professional baseball team. To have a real ball team in his home town has long been the cherished dream of Jim the Great.

Maybe the refusal of so many state officials to sanction the Willard-Fulton bout is due to their uncertainty as to whether it is to be a real fight or one of those what is it affairs.

If Walker Cochran's friends are right the young knight of the green cloth will be the next billiard champion just as sure as Johnny Evers is going to tell some American league umpire what he thinks of him.

Vin Campbell has been awarded \$6,000 back salary from the Federal league. The Feds must have been in existence lower than we supposed for Vin to earn 6,000 bucks.

Bill Kopf declares he will not play with the Cincinnati Reds until given the money he demands. Then, there are other pastimers who wouldn't play with the Reds for any amount of money.

Bryan Downey made a big hit with the Boston fans on his recent debut in the Hub. The mastery way in which the Colurus welter polished off Tommy Robson won the glad hand of the boxing bugs.

Manager Cantillon of the Minneapolis team has to go to California to sign Sawyer, the former Washington comedian. Evidently not all of Sawyer's funny stuff is pulled on the ball lot.

Having disposed of Jerry Travers in a handicap golf match, Mrs. W. A. Gavin has challenged Francis Ounet to meet her in a match at Newport. As Jerry Travers hasn't anything on Ounet, either in golf or gallantry, Mrs. Gavin wins before the start.

Incessant Artillery.

The German artillery, which had been greatly augmented for this attack pounded back areas incessantly, and the duel between the opposing guns of all calibers from Saturday evening until last night was appalling.

The British improved their position slightly before Villers-Bretonneux. The enemy artillery was very active in this region, and the enemy guns were increasingly busy from Vimy northward.

Thus far the German capture of Kemmel has done them little good, for the allied artillery has kept the crest of the hill so smothered with shell fire that it has been impossible for the enemy to occupy it in force.

VICTORY WON BY BUNCHING HITS

Brooklyn Defeats Boston 5 to 3—Philadelphia Nationals Also Losers

BROOKLYN, April 30.—Brooklyn defeated Boston by bunching hits with the visitors' errors in the fourth and sixth innings. The only earned run off Coombs came in the eighth on Herzog's second triple and a wild pitch. Smith's errors were costly.

PORTLAND, April 30.—(PCI)—Vancouver won the opening game of the Pacific International league here this afternoon, 3 to 2, when Rapp grew wild in the first inning and walked Volfer and Hamilton, which was followed by Bemis's sacrifice and Stewart's single to left scoring Volfer. HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast waxes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside bathing every morning for one week.

Before breakfast each day drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, that one week of inside bathing will have them both looking and feeling better in every way.

LONDON, April 30.—The British official communication dealing with the operations in Mesopotamia says: "Our forces in several columns, the organization of which necessitated a long and careful preparation, have advanced to the north of Bagdad along the main road leading to Mosul by way of Kirkuk and Kifruk."

On the 27th of April Kirkuk was captured and forty prisoners taken. The Turks avoided attack and retreated to Kifruk. Our cavalry overtook one enemy column and charged it, killing more than 100 men and capturing 538 prisoners and much war material.

On April 28 our cavalry forced a passage of the Acsu at the point southwest of Tuzhurnatli, and our main force reached the banks of the Acsu.

Stork Train Ready for French Women Prisoners

This French hospital train, with its nurses, is in Switzerland on the German border, awaiting the arrival of French women who had been prisoners in Germany. When these prisoners have become useless for work Germany releases them through Switzerland, and the nurses take them back to France. The picture of the stork on the back of the hospital car tells the rest of the story.

PLEDGE CARDS ARE SENT FOR BOYS' RESERVE

Army of Youthful Workers Soon to Be Mobilized to Save Crops

GROUP SYSTEM PLANNED

Youngsters to Be Sent Into Localities Where They Are Most Needed

The long delayed blanks, pledge cards and certificates to be used in the campaign of the Working Boys reserve have finally been received at the office of County Superintendent Smith and today are going out to the 139 school districts of the county.

It is the plan of Director J. W. Brewer of Portland to carry on this propaganda through the school teachers, who are asked to place in the hands of every pupil one of the cards for the purpose of securing the parent's consent.

This card also provides for the application and for the certificate of physical fitness by the enrolling officer. A second card contains the oath of service, which pledges the subscriber to support the constitution of the United States and to discharge faithfully the duties which he is about to assume.

Ages 15 to 21.

It is expected that all boys between the ages of 15 and 21 who are physically fit for work, will be enrolled, whether working at home or elsewhere. Boys working at home should enroll in order to obtain the badge of honor.

No boy, if now working, will be taken out of his job without his consent, and every boy will receive good wages for all work. No boy is to be taken away from his home to work when he is needed there, and only by the consent of his parents in any case.

It is expected that from 9000 to 10,000 boys will be enlisted throughout the state. Marion county is expected to enroll as large a percentage of boys as any county in the state outside of Multnomah. The way has been somewhat prepared for this movement by Rural Life week.

Welfare Is Guarded.

Having completed the enrollment in the county, the lists will be forwarded to the Portland office, and later in the season Director Brewer will act in conjunction with a local committee in the allotment of groups of workers to localities where they are most needed. It is planned to distribute the boys in groups of about twenty-five, each group to be directed by a responsible party, who will not only look after the physical well-being but the moral influences surrounding.

TURKS RETREAT BEFORE BRITISH

LONDON, April 30.—The British official communication dealing with the operations in Mesopotamia says: "Our forces in several columns, the organization of which necessitated a long and careful preparation, have advanced to the north of Bagdad along the main road leading to Mosul by way of Kirkuk and Kifruk."

TEACHERS LOOK FOR NEW JOBS

As the result of two hours of discussion and close calculation at the recent meeting of the school board, most of the present teaching force of the Salem schools were re-elected to their present or advanced positions, but not conclusively so in all cases. The salary rates all along the line are advanced approximately \$10 per month, the lowest now paid being \$85 in the elementary grades, and from that up to \$140 in the senior high school.

However, the list of teachers published as being re-elected is not to be taken as conclusive, as it is certain that in a number of instances the offer of the board will be accepted as an evidence of good will, the incumbents having already decided to locate elsewhere. And there are, other instances where a teacher will simply take the offer under advisement, to be accepted only in case something more attractive does not appear during the summer.

To Enroll 5000 Doctors in Medical Reserves

CHICAGO, April 30.—Fifty physicians, representing the state medical societies of the nation with an enrollment of 150,000 practicing physicians and surgeons, met today at the headquarters of the American Medical society to plan to meet the call of the army and navy for the immediate enrollment of five thousand doctors in the medical reserve corps. A total of 21,851 physicians have enlisted already.

Attempt to Exonerate Few.

Bopp and von Schnack made personal pleas to the court in an attempted exoneration of Walter Sauerback, Henry Kauffman, Harry J. Hart, Joseph Bley, M. S. von Goltzheim and other of the white defendants. Judge Van Fleet promised them that their petitions would have some weight in the sentencing of the men to whom they referred.

Sundar Singh Ghall was excused from the action of the court today when John W. Preston, United States district attorney, said that his testimony was needed by the grand jury in connection with the assassination of Ram Chandra, one of the principal Hindu defendants, in the court room last Tuesday. Chandra was murdered by Ram Singh, who in turn was killed by United States Marshal James B. Holohan. Sundar Singh Ghall was to be sentenced in two weeks.

Judge Van Fleet indicated that no deportation action would be taken against the Hindu defendants in the event that they refrained from revolutionary actions after completing their prison terms.

To Reduce Seattle and Portland Train Service

PORTLAND, April 30.—Reductions in train service between Portland and Puget sound points will go into effect not later than May 13, it was announced here today on advice from the regional director at Chicago. To enable passengers to make best possible connections tickets on all lines will be interchangeable.
