## DIED

A private funeral will be held this morning at the chapel of Webb & Clough. A brother has arrived from Woodburn to take charge. Rev. F. T. Porter will conduct the services and the body will be sent to Telsco, Or., for burial.

**Initial Bond Payments Due**—The managers and committeemen in charge of the liberty bond campaign have been working themselves to the frayed edge in the endeavor to get everything lined up by Saturday night when the campaign closes. Attention is called to the fact that a number of bond subscribers have not as yet made their initial payment on subscriptions, and they are urged to give the matter immediate attention. While they may have the best intentions and their signatures may be a guarantee of payment, these subscriptions cannot be officially recognized until these initial payments are made. If by chance there are those who do not consider these obligations as urgent as some others the fact should be emphasized that neither board bills, grocery bills or first mortgages should take precedence over a pledge to the government in a time like the present.

**Dentists to Close**—The following dentists will close their offices Saturday afternoons from May 4 to October 4: Drs. Epley & Olinger, Darby & Burton, F. L. Utter, Mark Skiff, Beecher & Ellis, Smith & Bowman, A. C. Olson.

Ross of this city, were called to account yesterday for high speeding on the city streets and each deposited a fine of \$5 for the hurry-up. T. Wilford of Silverton, who was taken into custody Wednesday by an officer for being in an intoxicated condition failed to show up in court yesterday at the appointed time and the deposit of \$10 which he left to insure his appearance was declared forfeited to the city.

**Salem Big Dance**—Moose hall, Sat. night, 8:30. Cool and pleasant. W. L. Bryant, mgr.

**Funeral On Sunday**—Awaiting the arrival of a daughter from San Francisco, the funeral of the late Robert Tindall will not be held until Monday, the services to be at Sherburne. The body is at the chapel of Webb & Clough. Mr. Tindall died Wednesday night at his home, four miles east of Salem.

**Vital Statistics for April**—The records of City Health Officer Miles show that during the month there were twenty-seven deaths within the city, of which fifteen were male and twelve female. About half of the number were old people of 70 years and upward. As usual the number of births was slightly in excess of the deaths in the city.

**Salem Fruit Company**—Pays highest cash price for eggs, any quantity. 267 S Commercial St.

**New Firm Comes In**—Carstens & Earls, lumber and subbuilding firm of Seattle, capitalized at \$300,000, will operate in Oregon and was issued a permit yesterday by Corporation Commissioner H. J. Schuderman. Chris A. Bell of Portland is Oregon representative of the firm.

**Social and Athletic Notes**  
From Willamette University

After the close of the program of the Philodorian society Wednesday night there followed the election of officers for the ensuing year. Homer Tasker, manager of the Wallula, was elected president. Roswell Waltz vice president. Howard Mott secretary, and David Lamson treasurer. Joseph Bemer is to be the new critic, and Bryan McKittick reporter. Paul Green, the retiring president, was elected sergeant-at-arms. The officers treat is scheduled to be held after the regular program next Wednesday night.

The inter-class tennis tournament is about to open at the university, and this tournament will decide which men will represent Willamette in coming collegiate contests. This year instead of having a men's tournament to begin with, each class held a tournament of its own. The two best men from each class are to represent that class in the interclass tournament. The freshman tournament was the most difficult to decide as the class had over twenty contestants at the start. McKittick and Davies have at last been chosen to represent that class. Walker and Adams will represent the seniors. Nichols and Sparks the juniors, and Doney and Dimick the sophomores.

**Announcement**  
This is to remind you that I am a candidate for the office of mayor of the city of Salem. As a resident of this city for the past fifteen years, a business man, taxpayer and a member of the city council for four years, I believe that I am qualified to give an efficient and business-like administration of the city affairs.

I favor the most rigid economy and believe that civic improvement, unless vitally important, should wait until after this war, in order that our resources may be conserved in aiding the government.

If nominated and elected I shall continue to perform my duties as a public officer in the same conscientious manner which has guided me in the past. Very truly yours,  
—Frank S. Ward.

## TAKE YOUR MEDICINES

**Regularly This Spring—Hood's Sarsaparilla Before Meals—Peptiron After.**  
This combination is having wonderful success everywhere. It is relieving rheumatism, expelling humors, restoring lost appetite, giving the glow of health to the cheeks, making faces bright and complexions clear, and literally giving worn-out, brain-fagged people new ambition and the strength of iron.

For it combines that most useful of all metals—iron—in a course of medicine that is peculiarly effective. Hood's Sarsaparilla is made from an unsurpassed formula of blood-purifying and stomach-toning remedies, and Peptiron from pepsin, iron, nux and other blood and stomach tonics that physicians prescribe.

In cases where a cathartic is needed, Hood's Sarsaparilla and Peptiron are very effectively supplemented by Hood's Pills, relieving biliousness, constipation, and all liver ills.

## There's No Danger In Chiropractic

Chiropractors aid nature in doing its own work of eradicating disease. No drugs—no knife—no dangerous method is used to do away with the abnormal conditions.

Chiropractors remove the cause of the ailment. Nature then performs the cure—that is, it functions properly—a condition that precludes disease.
