

This "Blue Devil" Not Sorry He Came Here

MISS RUTH SCHULTZ EDUARD DELEU

Edouard Deleu, one of the fifty "Blue Devils" sent by France to show the American people why they should subscribe for the Liberty Loan is not sorry he came to the United States. This photograph was taken at the

headquarters of the Liberty Loan campaign in New York City, and Miss Ruth Schultz, one of the workers there, found it impossible to restrain her admiration for him. She borrowed his steel helmet for the picture

What has become of that war expert who some time ago predicted that there would be no drive on the western front? He is almost as reliable in his predictions as the groundhog.

WATCH FOR SUGAR SLACKER.

BUTTE, Mont., May 4.—Grocers of this city are on the lookout for what is declared to be a new sort of "slacker." He is said to be the man who buys a dime's worth of sugar on his way to lunch, and then sweetens his coffee to suit his taste, despite all the efforts of the restaurateurs to observe the food restrictions. The restaurant men say they are helpless but the grocers declare their intention of refusing to sell sugar in such cases.

SPRAYING ENDANGERS BEES

PULLMAN, WASH., May 4.—Widespread destruction of bees in the northwest where bee-keeping supplies fruit growing, is imminent unless apple growers are at once made to see the danger to the bees occasioned by spraying for the codling moth before the petals are out of the apple blossoms, according to Ward Foster, extension entomologist of the State College of Washington.

CAMEL MEAT ENJOYED.
AMSTERDAM, April 6.—Several hundred pounds of camel meat have been enjoyed recently by patrons of restaurants in Zwickau, Germany. Four camels were sold to the butchers by the local menagerie, which had to sacrifice them owing to the fodder shortage. They yielded from 300 to 400 pounds of meat apiece.

TOWNER STARS IN FIELD MEET HELD YESTERDAY

Indian Boy Stacks up 17 Points for Senior Class—Many Entries in Events

SCHOOLS TURN OUT

Juniors Win First Place—May Day Carnival Girls' Part of Program

Winning 17 points for his class, Elwood Towner, the Chemawa Indian school prodigy stacked up the highest individual score in the high school field meet yesterday afternoon. Although a senior, this was Towner's first break into the white light of amateur athletics. He was followed by Irving Shepherd with twelve points and Hugh Latham with ten.

Juniors secured the highest class standing with a score of forty-five. The seniors were credited with twenty-eight and sophomores with twenty-six. Grant and Washington junior highs also participated in special events, the former making thirty-eight and the latter thirty-three points. Staley and Roberts tied for first place with fifteen each.

By combining a May day program with the annual track meet the event brought forth a larger number of spectators, who crowded the field early in the afternoon to witness the crowning of Miss Juanita Moores as queen. This took place before a verdant throne set under the trees. Fairies and girls in white middie formed the court and took part in the dancing, making a pretty picture in the woody setting. Winding of the maypole, closed the girls program, which was in charge of Miss Emily Griffith.

The field programs were intermingled, both being under the direction of R. E. Heater, Rex Putnam and L. J. Murdock. A much better showing was made than last year. Though the time was not extra fast, competition was good and there are all indications of a fine showing of men next season. Lack of training was probably the factor which held back the speed, as there have been no out-of-town meets and less inducement for the boys to turn out.

Staley Wins 220 in Hurdles.
The best showing was made in the 220 yard dash, the junior 120 yard hurdles and the running broad jump. Paul Staley won the hurdles easily followed by Tucker of Grant and Goodin of Washington. The boys covered them like practiced athletes and made one of the prettiest showings of the afternoon.

Sterling, a sophomore, was the "dark horse" of the occasion. Hampered by a full suit of street clothes he competed against boys in loose track suits, winning first in the broad jump with 18 feet 4 and three quarters inches to his credit. The junior high record by Staley was 17 feet, 3/4 of an inch.

Towner wound up his victory in the 220 by tripping and scratching himself severely in several places. Gapuz hurt his foot during the race but was in condition later in the day to enter two others.

Linden Best Half Miler.
Honors in the half mile went to Martin Linden of the junior class. In the first half he was followed closely by Gapuz, but Blumenberg crept up on him and won second. Gill making third.

Only three men entered the pole vault. Ingersoll and Stenstrom declining to jump higher when Towner withdrew from the event. He was given third place, however, as he had already qualified.

The following are the individual results:
High school 100 yard dash, Towner, first; Shepherd second; Blumenberg, third, 11 seconds.

Shot put—H. Latham, first; Simms, second; Stenstrom, third, 33 feet 6 1/2 inches.

SPORT CHATTER.

Phil Bloom is likely to find it some job to hold his own with Lew Tandler when the pair meet in Philadelphia on May 13.

The Giants appear to be using high powered bats this season, the team batting average being .316 for the first dozen games.

Eddie Rickenbacher, who has won fame as an auto race driver, is now distinguishing himself as a lieutenant in the flying corps in France.

The Cubs have lost some of their well known stars, but in Shortstop Hollocher they have a newcomer who is proving a genuine sensation.

Looks as if Brooklyn lost a bang-up pitcher when Dick Durning joined the navy. Durning has been pitching great ball for the Portland (Me.) Reserves.

The Boston Red Sox have a service flag containing fourteen names, the Sox topping big league teams in furnishing men for Uncle Sam's service.

Jimmy Johnston would like to match his heavyweight Gunboat Smith against Jim Coffey, but promoters evidently are not keen for the clash.

Joe Wood has developed into quite a fancy gardener. The former star pitcher of the Red Sox is putting up a nice game for the Cleveland Indians.

Jeff Smith's work as boxing instructor at one of the army camps has put him in tiptop condition. The New Jersey middleweight looks fit to go any distance with the best in his class.

Mike Brady, the well known professional golfer, has left Boston to join the Naval Reserves at San Francisco. On the way across the continent Brady will play exhibition games in several cities.

Tris Speaker and Joe Jackson are in the front line in American league batting averages, while Ty Cobb, the third and foremost member of the famous slugging trio, is working along towards the top.

Boxing experts who have been giving Benney Leonard the up and down say the lightweight champion has grown so heavy it is doubtful if he can again make the weight limit.

The "Bat and Ball Fund" which has been so ably handled by Manager Griffith of Washington, is now spending \$2000 a week for baseball equipment for the soldiers at home and abroad.

No matter which way the decision goes there seems to be a "hotter" coming after each bout boxed by Willie Jackson. If Willie wins, his opponent lets out a road, and if Willie loses his manager cuts loose with the robbery stuff.
