The use of WRIGLEY'S by the fighting men has created much talk across the water.

Even before American soldiers and sailors landed, the British, Canadian and French forces had adopted WRIGLEY'S as their wartime sweetmeat.

And now that Uncle Sam's stalwart boys are hitting the line, you'll find WRIGLEY'S a very noticeable ally of the Allies.

Keep them supplied. A box is easy to send—100 sticks—100 refreshments.

The Flavor Lasts After every meal

### Lemon Juice For Freckles

Girl! Make beauty lotion at home for a few cents. Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemon and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

### Simple Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

### WANTS TO HELP OTHER MEN.

M. W. Taylor, Calvert, Ala., writes: "To Whom It May Concern: I recommend Foley Kidney Pills, the best I ever used. I tried different remedies, but none gave me relief like Foley's." They restore regular action of kidneys and bladder and relieve backache, rheumatic pains, stiff joints, sore muscles. J. C. Perry.

**Wholesale Perjury.**  
Editor Statesman:  
It seems that our Democratic friends are very much interested in the outcome of the Republican primaries, especially over the contest for the nomination for governor. I am informed that droves of Democrats have registered as Republicans in order to assist Mr. Olcott in his ambition to secure the gubernatorial nomination, and are openly proclaiming their action and their reasons therefor. Possibly they wish to reciprocate for the favors which Mr. Olcott extended when he was the Marion county manager for Oswald West. I would like to ask, Mr. Editor, if there is no law which can be invoked to prevent this wholesale perjury? Does Mr. Olcott condone this practice or countenance the same? It certainly is outrageous and subversive of good government and members in fact of one political party can be allowed to participate in the primaries of the opposing party. If this practice is openly indulged in by Mr. Olcott's Democratic friends, what obligation have the genuine Republicans to abide by the result of the primaries?

### Do You Appreciate City's Workmen?

Editor Statesman:  
I had occasion Sunday to enter the public rest station at High and State streets. I said to myself, "Isn't this nice," and I made use of the liquid soap and paper towels. The city and county are to be congratulated on this improvement, but let's not give all the credit to the municipal and county organizations or to the taxpayers who put up the money. There were some faithful common laborers and mechanics who toiled and sweat to produce the product. And then do you know what a difficult and somewhat dangerous job it was to repair the sewer that drains it? I know a little about it. Sewer work is nasty work requiring skill of no mean order and the city is fortunate in having some men on the job who are conscientious and painstaking in their work and can be depended on to do their job well when given a fair and unhampered chance at it.

### EDITORIALS OF THE PEOPLE

I did not do so very much on that repair work but I had my weather eye open to what the other boys were doing and so any credit asked for I want to pass on to the ones who toiled so long and faithfully. I noted the fact that it is hazardous work and it seems to me that those workmen of right should be given the advantage of state insurance. It seems to me that this does not look well for the capital city of the grandest state of the union to neglect or refuse to grant or provide for their faithful workers.  
I am given to understand that an effort in that direction made by the workmen at one time only resulted in a devil of a scrape, so I guess they don't like to bring the matter up again so I think it is no more than right that the city authorities should take the initiative and offer it to them. Now you fellows who wear nice clothes and ride around in closed autos and fare snugly every day think about this and it might be well to suggest to the city dads to look after the matter. Remember please that protected injustice and oppression are just as bad here as where the Kaiser is doing his devilish work in person on the other side of the big pond.
