More Navy Recruits—Five men, three of them from Salem, left here last night to enlist in the navy as apprentice seamen. The group included George Abdey, Floyd F. Misner and Russel A. Amunson, all of whom have been working here, although their homes are in Portland, and Fred A. Taylor and Arthur E. Douglas, who came down from Oregon Agricultural college, where they were students.

Edgar B. Piper to Speak—Announcement has just been made of the choice of a speaker at the Willamette university commencement exercises in the Methodist church on the morning of June 12. Edgar B. Piper, editor of the Portland Oregonian, has accepted the invitation to address the graduates. Bishop M. S. Hughes of Portland will deliver the Baccalaureate sermon on June 9 and Rev. William Wallace Youngson, district superintendent of the Methodist church, will preach before a gathering of the college associations on the same Sunday night.

Closed Memorial Day—C. M. Roberts, the Court street grocer.

Red Cross Offices Close—Both the headquarters office of Willamette chapter, Red Cross, in the United States National bank building, and the office of the surgical dressings department in the post-office building, will be closed tomorrow for the memorial day observance, according to announcement. At the postoffice one parcel post window will be open from 8 to 12 o'clock and two parcel post clerks will work four hours each. No mail will be sent to or brought from the station. Carriers will make their regular holiday collections.

C. M. Roberts—The Court street grocer, will remain closed all day Thursday.

Grocers Will Close—The grocers at a special meeting held at the Commercial club Monday night voted to close their stores all day May 30, Memorial Day, as a patriotic duty.

Gas Attack in Salem—A serious attack on the gas supply of this city was made recently when a six-inch main on Ferry street was cracked open by the settling of loose dirt in a sewer excavation. The leak was first detected by the running down of the pressure in the tanks, and before it could be located it is estimated that from 30,000 to 50,000 cubic feet were lost. As gas is rated at \$1.50 a thousand through the meters this indicates some loss.

Ukulele—Buy a ukulele to take along on your summer auto trips and your vacations. The late, convenient, and popular instrument. I have a large assortment to select from. Geo. C. Will

NEED OF IRON NOW

Ailments Due to Insufficient Iron Common in Spring.

Iron is an essential constituent of pure and healthy blood. Peptiron, the new iron tonic, combines iron with nux, celery, pepin and other blood and stomach tonics that successful physicians prescribe. It is a wonderful corrective of anemia, paleness, languor, nervousness, whether caused by hard work, worries, too close confinement indoors, or any other cause. Peptiron will multiply the red corpuscles in your blood, tone your nerves, improve your color, aid your digestion, and restore the health and strength that you must have for the cheerful performance of daily duties.

Peptiron is in the form of pills, chocolate-coated, pleasant to take, prompt in effect and economical.

Your druggist knows the great merit of this nux and iron preparation, and will be pleased to supply you.

HUTCHASON'S INSURANCE STORY

5th Installment.

Two young married men residing in a prosperous western city were enjoying comfortable salaries. They drove their own cars; owned their homes; belonged to the best lodges and clubs. Their salaries were not large—about \$2500 to \$3000 a year.

One of these men investigated Life Insurance and later was insured for \$10,000 on the Continuous Installment Plan, guaranteeing his beneficiary \$50 a month for her life or 20 years certain.

The other man laughed at Life Insurance and his wife cared less than her husband.

One day one of the cars needed overhauling and was taken to a garage. The friend took the one whose car was disabled, for a ride and both were instantly killed by an electric train.

The wives are still neighbors and friends. The one is getting along nicely and bringing up the little family and will be able to give them a good education. The other woman is working to support herself and her children are left to the care of a nurse girl. This woman often wishes that her husband had insured—then her children would be sure of an education.

Chiropractic Is a Success

Because—

—It adjusts the CAUSE of the disease and does not treat the effect.

—It depends upon nature for a cure and not upon some artificial remedy.

—It is based upon correct knowledge of the LIVE HUMAN BODY and not upon knowledge of the dead bodies and animals.

—It rebuilds the worn out tissues of the body and does not stimulate with a subsequent reaction of debility.

—It is common sense and not pet theories.

—IT IS THE TRUTH.
