

Have You a Kodak?

If so here's an opportunity for you to render a patriotic service.

TODAY—grand old Memorial Day—

Thousands of Kodak pictures will be taken in and around Salem.

Keep the Home Fires Burning

By sending copies of these pictures to the Boys at the front; for nothing will revive the home ties or carry with it the same degree of cheer and comfort as the "homey" Kodak picture.

That we may share to some extent in this service and that the cost of producing the work may be reduced to the minimum we will develop ABSOLUTELY FREE, all roll films brought to our Studio for finishing up to and including Saturday, June 8th.

If you haven't already patronized us with your Kodak finishing bring in your films and try us out on this line of work. There are no strings attached to this proposition whatever; the only restriction we make on this free offer is your promise to send prints to the Soldier Boys now in service, and who are fighting for freedom and democracy.
