SELECTED MEN LEAVE TONIGHT

Group of Forty-Eight Youths Will Be Escorted to Depot by Band

This morning at 8 o'clock the group of forty-eight selected men for the United States army are scheduled to meet at the court house to receive final instructions as to insurance and allotments from Attorneys R. K. Page and Roy Shields, and Major A. A. Hall of the Oregon Guards. Several members of the local G. A. R. post will also be present to address the boys, giving them a word of counsel and encouragement and bidding them goodspeed. In the evening they will be escorted to the Southern Pacific depot by the band, and will there be addressed by Louis Lachmund, who will have some things both instructive and encouraging to say to them. At 10:45 they will leave by special train for Fort McDowell, California. Of the entire group only one—George S. Catty—had failed to report last night and it is assumed that in moving from one point to another he has failed to get in his report. Chester Elmer Lee, who had not been heard from up to yesterday, and was thought to have been delinquent, reported to the local board finally, explaining that he would be on hand to entrain with the rest of the group in the evening. His report to the board had miscarried for some reason, although mailed in due time. The corrected list of drafted men is as follows: Lee G. Page, Salem, Or. Hugh Franklin Weltman, Aumsville, Or. Alva Chester Harpe, Salem, Or. Max O. Hill, Sublimity, Or. Albert Wilhelm Mitzner, Marion, Oregon. Oliver Farette, Aumsville, Or. Grover Allen Gates, Bandon, Or. Edwin Walter Reid, Portland, Or. Two men from other boards will be inducted into service Saturday: Guy R. Sloper and Edward W. Powers, Jr. Two Salem men will be inducted by other boards, Stefano Capobianis at Ironton, Minn., and Edward G. Hanson at Larned, Kansas.

HOME GUARD BECOME MILITIA

EUGENE, ORE., May 30.—Over 200 members of the local home guard companies that have been drilling for the past two months were tonight sworn in as members of the Oregon state militia by Adjutant General Williams and officers of the four companies were chosen by election. Raymond Babb, who has been acting major of the battalion for the past two weeks, was unanimously chosen as major. The members of the battalion took the oath of allegiance to the United States and the state of Oregon in unison.

Prayer Day Observed by Friends Churches

In compliance with President Wilson's proclamation, the members of the Friends Church of Rosedale, north and south Salem observed Memorial day as a day of prayer, joining the union service at the First Methodist church in the morning and holding a service at the South Salem Friends church both afternoon and evening. In the afternoon a report was given of the Friends unit of the Red Cross in France, to which the three churches have contributed \$417 in money and 325 newly made garments within the last few months. Letters were read from workers showing their sacrifice and devotion in the work with the refugees in France. In the evening an address was given by President Pennington of Pacific College, Newberg.

NOBLE SCHOOL CLOSSES YEAR

Raising of Flag Marks Program Concluding Term of 1917-18

SCOTTS MILLS, Or., May 31.—Noble school closed Friday, May 24, after a very successful term of school. A new 60-foot flag pole had been erected and at 10 o'clock in the morning the flag raising took place. J. A. Bennett of Silverton was the speaker of the day. At noon a picnic dinner was served cafeteria style to all present. The school had its exercises in the afternoon after which ice-cream was served. A number of persons came up from Scotts Mills and some from Crooked Finger. Mrs. C. E. Mulvihill, teacher of the school, left for Portland Saturday joined by her husband who came up to attend the closing exercises of the school. Mrs. Lucy Kahut and small daughter of Gervais visited her parents Mr. and Mrs. William Wellman at Crooked Finger last week. Mrs. J. L. Green of Portland visited Mrs. Ruby Mulvihill the last of the week, while her husband went on a fishing trip on Butte creek. Mr. and Mrs. Henry Platt moved from their homestead above Crooked Finger to Portland last week. An ice-cream and pie social was given at the I. O. O. F. hall for the benefit of the Red Cross. Over \$42 was taken in. After the social a Red Cross dance was given in Myers hall, the hall being prettily decorated for the occasion. H. E. Magee was a Portland visitor Monday. Mrs. Lena Bellinger went to Salem Monday to attend the funeral of Mrs. F. Everett, returning home Tuesday. Hazel Petersen left for her home in Portland Tuesday. Wallace Williams of Woodburn visited his daughter, Mrs. L. S. Rice, and family a few days last week. Mrs. W. T. Hogg and daughters Loraine and Doris left Monday for a week's visit in Salem. Miss Loraine Hogg expects to spend a month with her grandparents in Salem. To Mr. and Mrs. W. L. Taylor at the Portland sanitarium, May 17, 1918 a nine-pound daughter. Frank Hettwer went to Portland Friday where he expects to work this summer. A. F. Richter and George Haynes were visitors in Silverton Monday.

OLD BRIDGE TO GET NEW HOME

Salem Structure Is Shipped to Washington to Span Cowlitz River

The old Salem bridge over the Willamette river between Marion and Polk counties, is good enough for Riffe, Wash., where it will be shipped to span the Cowlitz river. It will be cut to 270 feet in length. The steel will be shipped to Jackson Prairie to save the rail haul from Napavine to Tacoma and from Tacoma to Morton. The old bridge here is being replaced by a new one.

BATTLE DIRECTS DAY'S TRADING

Marine Preferred Makes Gain—Active Stocks Experience Rebound

NEW YORK, May 31.—Trading in stocks during the greater part of today's unsettled session was influenced almost entirely by war conditions which effected early recessions of one to three points in important issues. Marine preferred, on accumulation of the most confident character, made a net gain of 3 3/4 points to 104 1/2. The common gained 1 1/2 and the six per cent bonds 1/4. The movement of Marines coincided with a meeting of the directors at which progress in the proposed sale of the company's British tonnage to British financial interests were reported. Other active stocks also experienced a rebound from minimum levels, these for the most part, however, being relatively nominal. Sales amounted to \$85,000 shares. There was a marked increase of trading in bonds but this centered mainly in liberty issues, all but the 3 1/2% reflecting continuous pressure at lower records. New minimums were 24 for the first 4s, 95.88 for the second 4s and 96.80 for the 4 1/2% offerings of the latter being especially large. Total sales were \$11,175,000. United States bonds, old issues, were unchanged on call.

Johns Formally Named to Succeed McCamant

Judge Charles A. Johns of Portland was yesterday formally appointed by Governor Withycombe to the position of associate justice of the Oregon supreme court to fill the vacancy left by the resignation of Wallace McCamant. Judge Johns will assume his duties June 5, when McCamant's resignation becomes effective.

The appointment is pursuant to an announcement of the governor several weeks ago that upon McCamant's resignation he would appoint the candidate for Republican nomination for justiceship who was successful in primary election of May 17. The term of the appointment is until January 1, 1919, when Judge John's regular term will begin.

LIME INDUSTRY MAY BE SAVED

Bare Possibility Is Seen of Extracting Enough Lime to Start Income

A bare possibility remains that the state lime board may be able to extract enough lime with incomplete equipment at Gold Hill to start an income from the quarry and complete installation of the machinery. At a meeting of the lime board yesterday it was expected the members would decide to drop the lime industry for the present because of lack of funds, but the members were reluctant to quit and Warden Murphy, Chairman A. B. Cordley and Ben Bowers were authorized to make further investigation of possibilities. They were given power to act and will either decide to make a start or to close down the plant. If the plant is closed the machinery may be moved to Gold Hill and stored or a watchman will be placed over it at the quarry. Apparently there is little hope that the committee will find it possible to start work. Warden Murphy, who is secretary of the board, and Chairman Cordley declared that the whole matter had been passed squarely up to the emergency board and that from this time on that board is responsible for the disposition of the enterprise. An effort was made to consider declaring a deficiency in the lime board fund and providing \$10,000 to complete the plant and begin operations. The board did not convene for lack of a quorum. Both Murphy and Cordley declare the lime board has done everything possible to launch the project into a working enterprise. It should be no hardship to increase the amount of potatoes to be eaten by the American people. Mother knows how to prepare them in so many different ways.

County Assessor West Is Writing 1918 Roll

County Assessor Ben West started the executive committee of the He states the valuations will be carried about the same as last year, with the possible exception of the personal property. He figures the increase in automobiles will swell this item some. Mr. West has a complete alphabetical index of all owners of cars in the county, and those who have not been reached by the deputies, he says, will confer a great favor on him if they will call at the office and have their cars properly assessed, as this will save sending out postal cards later, informing the owners that a tax has been placed on their machines.

No griping or nausea. J. C. Perry.

RIVET CONTESTS COMPLAINED OF

Union Men Disapprove of Speed Tests—Officials Not Yet Convinced

WASHINGTON, May 31.—Informal disapproval of rivet driving contests which has been expressed by some union men, is receiving attention of the shipping board. Officials, however, are not yet convinced that the contests are detrimental to production as the union men claim. Chairman Huley said today that he had told labor representatives the creation of tonnage is the main thing to be considered in the present world crisis. "It seemed to me that the introduction of the sporting element into shipbuilding lent a zest which would turn out the ships more quickly," he said. "Certainly, it has been a big jump from a few hundred rivets to 5500 in a working day. The contests have shown what can be done." **GRIPPE GETS AMBASSADOR.** MADRID, May 31.—Colonel Joseph E. Willard, the American ambassador, is one of the latest victims of the epidemic of the disease resembling gripe which has swept over Spain, causing the illness of more than 150,000 persons in Madrid alone.

ONE OF NATURE'S COMMON TRICKS

Acts just like a wireless message and "ouch" is the answer. Press an electric button and you form a contact with a live wire which rings the bell. When your shoes press against your corn it pushes its sharp roots down upon a sensitive nerve and "ouch" you get a shock of pain. Instead of trimming your corns, which merely makes them grow, put step into any of our drug store and ask for a quarter of an ounce of Frosens. This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly upon a tender, aching corn stops the soreness instantly, and soon the corn shrivels up so it lifts right out, root and all, without pain. This drug never inflames or even irritates the surrounding skin.
