

MRS. STOKES IS GIVEN 10 YEARS WHEN CONVICTED

Case Is Appealed to Circuit Court of Appeals and Bond Continued

ALL THREE COUNTS HOLD

Action Appears Likely to Reach United States Supreme Court

KANSAS CITY, Mo., June 1.—A sentence of ten years in the Missouri state penitentiary was imposed today in federal court here upon Mrs. Rose Pastor Stokes of New York. Socialist and self-styled "internationalist" a result of her conviction May 23 on an indictment charging violation of the espionage act.

Seymour Stedman of Chicago, attorney for Mrs. Stokes, gave notice of an appeal to the United States circuit court of appeals and Judge Arba S. Van Valkenburgh granted the defense sixty days in which to file its bill of exceptions. Judge Van Valkenburgh also continued Mrs. Stokes' \$10,000 bond, which means that she will retain her liberty until the case is finally ruled upon by the higher court.

Guilty on Three Counts.

Mrs. Stokes was found guilty on three counts of the indictment and the court imposed a sentence of ten years in each count to run concurrently. Missouri penitentiary was chosen because the federal prison at Leavenworth, Kansas, has no accommodations for women prisoners.

Mrs. Stokes tonight declined to comment upon her sentence. She will return to New York tomorrow.

It was said tonight the court of appeals may hear the case in December and if the lower court's findings are upheld the defendant can raise a constitutional question the

case will go to the United States supreme court. This court is now three years behind its docket, but it is believed likely the government's desire for speedy hearings of espionage act violation cases will result in its being advanced.

Denies She Opposed War.

In a statement to the court before sentence was pronounced, Mrs. Stokes reiterated that she had assumed it was "her privilege to approve or criticize any of the war aims" of the government and declared she recognized the cause of America's entrance into the war and had at no time opposed the war.

WAGE BOARD TO HEAR PROTESTS

Representatives of Shop Trades Protest at Advances Allowed

WASHINGTON, June 1.—Representatives of railroad shop trades, including machinists, blacksmiths, boiler-makers, electricians and carmen, who have entered the strongest protests against the wage increases allowed them by Director General McAdoo will be heard by the new board of railroad wages and working conditions Monday in Washington.

Immediately after organizing today the board decided to take up the shop crafts' claims first, regarding them as most urgent.

The board elected G. H. Sides, vice president of the Brotherhood of Railway Trainmen, chairman, and F. F. Gaines, former superintendent of motive power for the Central of Georgia, vice chairman. Other members are J. J. Dermody, vice president of the Order of Railway Telegraphers; C. E. Lindsey, former maintenance of way engineer for the New York Central; W. E. Morse, former general manager of the Denver and Salt Lake, and A. O. Wharton, head of the American Federation of Labor.

The board announced that it will hear and investigate employees' representatives affecting these subjects:

"Inequalities as to wages and working conditions whether as to individual employees or classes of employees; conditions arising from competition with employees in other industries.

"Rules and working conditions for the several classes of employees, either for the country as a whole or for different parts of the country."

Grace Lusk Raves in Her Cell; Insanity Suspected

WAUKESHA, Wis., June 1.—As Grace Lusk, convicted of the murder of Mrs. David Roberts, still continued to rave in her cell, Prosecutor D. S. Tullar late today consulted Judge Lueck by telephone as to the advisability of a lunacy commission before the date is set for her sentence. Both, it is understood, agree that her condition must be examined into before further steps are taken.

Counsel for the defense consulted tonight and reported to have agreed that Miss Lusk appears insane and will ask for a commission if the court does not act soon.

CHEVROLET IS MAKING GOOD

Manager Delano Can't Get Cars Fast Enough—He Sells 'Em by Phone

Manager Delano of the Salem Automobile company, agents for the Chevrolet cars, says his company has been exceedingly fortunate in getting the large number of Chevrolet cars they have delivered in Salem and vicinity. However, from now on the condition will probably be critical as the sale of cars is increasing to such an extent that it is difficult for the factories to meet the demand.

Mr. Delano leaves today for Portland accompanied by his partner, Mr. Eoff, and three other men. They will drive back four Chevrolet 90's. They have already brought two from Portland this week besides unloading a carload in Salem last Tuesday. Mr. Delano reports that his Dallas dealer drove six out from Portland last week; Sheridan dealer three; Turner three; and Silverton dealer three. Besides this large receipt of Chevrolet cars, Mr. Delano has not wired the factory to ship twenty-four more cars at once.

As an example of the popularity of the Chevrolet, Mr. Delano reports two sales made over the telephone during the past week.

The Chevrolet is demonstrating its quality as an economical car. A. R. Lowry of Salem has driven his Chevrolet since March 1, traveling 4,238 miles and says that his entire expense outside of gasoline and oil was only \$2.35.

The Chevrolet is surely making good in Salem.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark, glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Bark Indicted, Pleads Guilty, Is Sentenced

The Marion county grand jury finished up its investigations at noon yesterday, turned in its report and was dismissed. Although the court was in session for several days, the great of bills was very light.

Otto Bark, charged with burglarizing a school building, taking money, books and other personal property, was indicted, pleaded guilty and was at once sentenced to the penitentiary. A true bill was returned against Delbert Riggs, charged with a statutory offense. He was admitted to bail in the sum of \$2500. Not a true bill was returned in the case of W. M. Kelly, charged with larceny from a store. Frank Smith was indicted on a charge of assault and battery, committed upon the person of Saun Louie, Chinese proprietor of a lunch room. No investigations of county property was made by the jury.

LABOR BOARD IS DECIDED

Conclusion Reached in Case of Western Union and Postal Telegraphers

NEW YORK, June 1.—After a discussion lasting more than five hours the national war labor board reached a decision here tonight in the dispute between the Western Union and Postal Telegraph companies and some of their telegraphers over the right claimed by the operators to join the Commercial Telegraphers' Union, but withheld announcement of the decision until tomorrow.

Presided over by former President William H. Taft, and Frank P. Walsh as joint chairman, the board, including its membership five representatives of employers and a like number of organized labor, heard the complaint of the telegraphers' union that the two companies have insisted on the right to discharge employees who join the union, while the Western Union actually has dismissed some of its men.

A decisive vote was taken of which the chairman declined to give any intimation until they have reviewed the record of the day's proceedings. They promised to do this before leaving tomorrow afternoon for Scranton, Pa., where they will attempt to set

the a strike of steam railway workers.

SALEM DOCTOR CURES CANCER

Mrs. Juliett Adams, Prominent Resident of Polk County, Cured of Cancer of the Face.

To Whom It May Concern:

For six years I suffered with cancer of the face. I was haunted by the realization that it was steadily becoming worse. As a last resort I applied to Dr. S. C. Stone for treatment. He applied a remedy for a few days and the cancer dropped completely. I am happy to say that I am completely free from the dreaded disease.

I cheerfully recommend Dr. Stone and his treatment.
