THE important part which women have played in past drives in the war movements is being attested and it has been proclaimed that it would have been virtually impossible to have made drive after drive such overwhelming successes had it not been for the women participants. The Superfluity Shop conducted in Salem late last fall and under the auspices of the Salem Women's club was the entering wedge of the activities of local women. Since then

patriotic carnivals, S. O. S. gift boxes for the soldiers, Red Cross, Liberty bond and other drives have been added to their credit.

Another drive which will call out hundreds of Salem women will be that of War Savings Stamps on June 28. Because there are not enough men to handle both the business and residential districts, the house and house canvass must of necessity devolve upon women. The women will secure pledges for stamps. This activity will prove especially interesting to fair femininity in their native nursing role, for, in the words of an eastern editor, it is a case of "Cheer up little Thrift Stamp, Don't you cry, You'll be a war bond By and by."

Jason Lee Methodist. Sunday school convenes at 9:45. Chas. Haggeman supt. Morning worship at 11 o'clock. W. C. Wilson will be the speaker. Subject, "Methodism's Opportunity to Help Win the War." Among the charming visitors in Salem is Mrs. Martha W. Evans of Columbus, Ohio, who is the guest of Mrs. Carl Gregg Doney. Mrs. Evans is an aunt of Mrs. Doney's and the great aunt of Miss Elsie Evans, a niece of Mrs. Doney's who made many friends in Salem during her visit a couple of summers ago. Mrs. Evans' stay will be indefinite.

Mr. and Mrs. C. P. Bishop will return today from Pendleton where Mr. Bishop went to meet his wife upon her return from a month's tour in the east. The couple have left on a short honeymoon to the groom's farm home at Richmond, Oregon, in Wheeler county. Mr. Donnelly is subject to the draft. The bride is the daughter of Mr. and Mrs. William Wechter, 1423 Center street. A sister, Mrs. Iva Wechter, who is a "yeomanette" at the Bremerton navy yards, attended the wedding.

Miss Alice Applegate, the daughter of A. M. Applegate, a former Salem resident, won a pleasing press compliment upon her graduation recently in Harrington, Wash. The play in which she took part, was coached by Miss Beatrice Thompson, who is a niece of Miss Minnetta Magers. The Harrington Citizen says: "Alice Applegate, Veryl Erich and Mary Knapp were honor graduates from the high school, having made at least an average of 90 per cent in every subject for the entire four years of their high school course. Alice Applegate is to be especially commended on her splendid portrayal of the Worst Man (the class play). She kept the audience in a constant state of merriment."
