STOCKS REACT, OPENING STRONG

Late Dealings on Moderate Offerings—Setback Natural Result

NEW YORK, June 5.—Stocks opened with a demonstration of strength today but reacted very generally in the later dealings on moderate offerings. The setback was accepted as a natural result of the recent advance which invited considerable profit-taking.

War news was mostly favorable, but offered little promise of an early passing of the strain along the French front. The submarine shock subsided completely and shippings displayed a better tone than any other group.

The strength of Marines, especially the preference for an extreme advance of 2 1/2 points, accompanied the news of a special meeting of the directors tomorrow.

It is expected that further details of the deal with British interests will then be announced. Coppers developed sudden heaviness in the latter part of the session, reacting 1 to 3 1/2 points, China showing marked weakness.

Standard industrials, equipments and rails developed a reactionary trend after their early gains. United States Steel closed at 3/4 point loss, a reversal of almost two points from its best. Sales, 615,000 shares.

Liberty bonds rallied slightly from low records of the previous and international war flotations, including Paris 6 1/2 and Anglo-French 5 1/2, hardened 3/4 to 1 point. Total sales, par value, aggregated, \$6,550,000.

U. S. bonds, old issues, were unchanged on call. EARL RACE, Recorder of the City of Salem, Oregon

CORN REVERSES RECENT ACTION

Turns Decidedly Weak After Moderate Advance—Bearish Reports Cause

MARKET... Chicago, June 5.—Corn today reversed its action of yesterday and turned decidedly weak after a moderate advance. Bearish crop reports appeared to be chiefly responsible for the setback. Prices closed heavy, 3/4 to 1 1/2 net lower, with July 1.32 1/2 @ and August 1.33 1/2. Oats lost 1/4 to 1/2 c. The outcome in provisions varied from the 17c decline to a rise of 35c.

At first, commission houses were generally on the buying side of the corn market, owing to the readiness with which prices had rallied from the initial flurry over the U-boat raid. New advances, however, had not proceeded far before selling pressure increased and values gave way.

Announcement that cutting of oats had begun in Oklahoma counted as a bearish factor in the oats market. Besides, hopes of important export business were not fulfilled.

Pork and ribs averaged higher influenced by stock yards labor troubles. Packers selling weakened loads.
