Salem mothers of soldiers and sailors who were recently given comfort bags are thanking Miss Beatrice Shelton, who contributed \$30 toward their deficit. Sixty dollars was raised by Miss Shelton following her program under the auspices of the Tuesday Musical club and she gave equally to the S. O. S. fund and the comfort bag fund. Her party was originally planned as an entire S. O. S. benefit, but on account of having been postponed, a change was made in the apportionment. The comfort bags which were made some time ago by Salem women, are different from "ditty bags." The comfort bag is a large pouch in which the soldier can place his belongings and is about the only way he can procure privacy for letters or other articles.
