SESSION DULL  
Issues Firm to Strong During  
Early Part of Day's Trad-  
ing—Lose Gains Later.  
NEW YORK, June 12.—Stocks  
were firm to strong during the early  
part of today's dull session but re-  
linquished much of their advance  
in the final hour. Gains were most  
substantial in speculative issues con-  
trolled by pools and other profes-  
sional interests.  
Tobacco shares were the strongest  
features on the early rise.  
Equipments of the more popular  
varietal yarns as well as motors, oil,  
fertilizers and shippings registered ex-  
treme gains of one to three points.  
Coppers added moderately to recent  
advance and sugars, leathers, Ameri-  
can Can and American Woolen were  
one to two points higher at their  
close.  
Standard rails, notably Union Pa-  
cific, Canadian Pacific and Atchafon  
were responsive to improved trans-

WHAT TO COOK AND HOW.  
If you are a cooking enthusiast it  
will make you want to put on your  
apron and go to the kitchen at once,  
after reading over the following de-  
licious recipes for good things to  
eat. We purposely give a number of  
things that are suitable for cold or  
picnic lunches, this being the season  
for out-door affairs of this kind:  
Oatmeal Cookies.—One and one-  
half cups rolled oats, one-half tea-  
spoonful soda, three-fourths teaspoon  
salt, two and one-fourth cups flour,  
three-fourths teaspoonful cinnam-  
on, one-fourth teaspoonful cloves,  
one-fourth teaspoonful nutmeg,  
three-fourths cupful dark corn syrup,  
one-half cupful brown sugar, one-  
half egg, one-fourth cupful boiling  
water, one-half cupful fat, three-  
fourths cupful seeded raisins. Sift  
flour, salt, soda, and spices. Add the  
oats and the raisins. Melt the fat in  
the water; add the corn syrup. Add  
sugar and egg beaten. Drop by  
spoonfuls on a baking-sheet. This  
will make 72 medium-sized cookies.  
Barley Bread (government recipe).  
One cupful milk, one cupful water,  
one-half yeast cake, two tablespoon-  
fuls molasses, one teaspoonful salt,  
four cupfuls whole wheat flour, two  
cupfuls barley meal. Scald milk, add  
water, cool to lukewarm. Add yeast  
mixed with some of the lukewarm  
liquid, molasses and salt. Stir in the  
flour and barley sifted together.  
Knead, using more flour if necessary.  
Cover, let rise until it doubles in  
bulk. Form into loaves and put into  
well-greased pans; let rise until it  
again doubles in bulk. Then bake in  
a moderate oven four hours.  
Tomato Soup.—Cook one slice of  
onion with one and one-half cups  
packaged tomatoes ten minutes, rub  
through strainer. Make tomato  
sauce—melt two tablespoonfuls butter,  
add one tablespoon cornstarch, add  
salt and paprika, one-eighth teaspoon  
sugar, add tomato liquid. Cook un-  
til thickens. Add one-fourth teaspoon  
soda just before removing from fire.  
Let sauce become very cold. Then  
add three-fourths cup milk, three-  
fourths cup cold water; heat in  
double boiler. Serves five.  
Eggs Louisiana.—Dilute one can

SESSION DULL  
Issues Firm to Strong During  
Early Part of Day's Trad-  
ing—Lose Gains Later.  
NEW YORK, June 12.—Stocks  
were firm to strong during the early  
part of today's dull session but re-  
linquished much of their advance  
in the final hour. Gains were most  
substantial in speculative issues con-  
trolled by pools and other profes-  
sional interests.  
Tobacco shares were the strongest  
features on the early rise.  
Equipments of the more popular  
varietal yarns as well as motors, oil,  
fertilizers and shippings registered ex-  
treme gains of one to three points.  
Coppers added moderately to recent  
advance and sugars, leathers, Ameri-  
can Can and American Woolen were  
one to two points higher at their  
close.  
Standard rails, notably Union Pa-  
cific, Canadian Pacific and Atchafon  
were responsive to improved trans-  
portation prospects.
