Will sell the whole at a great bargain. Very easy terms, 6 per cent interest. Address L., owner, care The Statesman.

STOCK MARKET

Persistent Selling Due Largely to Auspicious Weather and Crop Conditions.

NEW YORK, June 14 .- Reversing its course of the previous session, today's stock market was very strong in the early and intermediate periods, but yielded very generally towards the end, materially reducing some of the more extensive gains. Further favorable war advices, absence of expected disturbances in the money market and additional brilliant crop reports accompanied

siderable covering of short contracts Throughout the day United States Steel was the conspicuous feature supplementing yesterday's threepoint gain with an additional two and a quarter points, holding little more than half at the end.

the early buying and impelled con-

Fertilizers, leathers and papers were one to three points higher at their best. Sales, 615,000 shares. Italian exchange was strong as result of the adoption of remedial measures.

Liebrty bonds were irregular, as also were internationals. Total sales, par value, aggregated \$5,275,000.

NEW YORK MARKETS. NEW YORK June 14 .- Prunes

irm. Hops, unchanged.

WALLINGFORD, Conn., June 14 Selling price: Locals, \$1@1.25; Martin Plunkett, Socialist candi date for governor of Connect cut was arrested here late this afternoon by agents of the United States. His books and papers were later selzed and taken away.

Against "Trench Feet" WASHINGTON, May 31 .- Preparselling due largely to auspicious ations for safeguarding the health of weather and crop conditions force! American soldiers in Europe include material declines today in the corn exhaustive studies by officers of the eases or those previously known

Prepare to Safeguard

which are found to be more prevalent in the army than in civil life. None has attracted more attention than "trench foot," the subject of a bulletin issued from the office of the surgeon general, presenting the conclusions of prominent men who leading authority indicated that the bave investigated the malady in the

French trenches. Although the disease is a pronoune being rushed. Besides, the govern-led accompaniment of trench warfare. ment forecast showed no likelihood its genesis is referable primarily to of any important adverse change in cold. Among the predisposing factors, curiously enough, is the excessive use of tobacco, it is asserted. which paralyzes the nerve ends of enfeebled circulation, under nour-

ishment and loss of sleep. Fundamentally, trench foot is noth ing but frost bite, aggravated by war conditions. As the feet begin to swell, there is pain around the ankles or in parts of the leg where circulation is not stopped. Pattents obtaining treatment in early stages of the disease soon lose the numbness of their limbs and the normal color returns. Where treatment is delayed and the case is aggravated by tight shoes or puttees, the feet may have a dead, gangrenous appear-

weeks, while severe cases may require amputation. "The mechanical pressure due to tight puttees, leggins and shoes is a large causative factor," warns the bulletin. "That crime against common sense, the spiral puttee, shrinking, as it does, as much as one-sixth of its length when wet, especially

ance. Mild cases are cured in three

The methods of lumber-jacks in the northwest, who wear oversize shoes and boots and carefully dry their ctockings at every opportunity were cited as excellent prevention.
