

### THEY MAKE GOOD WHEREVER THEY GO

Just as the red-blood quality of America's men means triumph over foe, so does the true-blue quality of these Extra-Tested Tires mean service triumph for users.

### RACINE Country Road and Multi-Mile Cord TIRES

Each Extra Test adds definite fighting strength. For instance: the extra test for carcass smoothness does away with all internal ridges by a "feather-edge" process of joining all fabric used. Means many extra miles.

Racine Country Road yields service far beyond the 5000 Mile Guarantee. Racine Multi-Mile Cord Tire is in every way worthy the name Racine Rubber Company.

**Patterson.** The ceremony was performed by Rev. A. Wells, pastor of the Nazarene church, in the presence of close relatives of the young people, and intimate friends. The bride was attired in a smart gown of ruffled netalene adorned with silver lace. Her veil was held in place by a wreath of white sweetpeas. She carried a bouquet of bride's roses. She was given away by her brother, Rev. E. D. Patterson of Rogue River. Little Maxine Jack acted as flower girl. Albert Miller sang "When You Are Truly

Mine." The bridal music was played by Miss Thelma Blessing.

The bride was a graduate of Salem high school in 1917. The bridegroom is the eldest son of a well known Polk county family, and was a student of the Oregon Agricultural College.

Mr. and Mrs. Rogers were greeted by a shower of rose petals as they left on the afternoon train for Seattle.

Preparatory to the Robertson-Benson nuptials, Mrs. M. C. Briggs, Jr., of Hollister, Cal., has been a guest at the home of her parents, Judge and Mrs. Henry L. Benson, on North Summer street. Mrs. Briggs will re-

main only a day or two longer, following a week's stay.

The senior class of 1918 of Willamette university was invited to assemble at a farewell party Tuesday night at the residence of Mr. and Mrs. J. G. Reigelman, 940 Mill street, following the class play on the campus. The home was in gala decoration for the event, masses of roses and varied colored sweet peas being used. The Reigelmans have a son, Perry Reigelman, a Willamette university graduate, who is in war training at Columbia university. A military touch was added to the gathering also, as one of the graduates, Harry Bowers, is a soldier at Camp Lewis.

Thirty-five men and girls were present. A merry informal time was enjoyed and refreshments were served. Those assisting were Miss Evelyn Reigelman, a graduate, and the Misses Bernice Fish and Areta Jones. Additional guests were Mr. and Mrs. Perrie Mark of Sheridan, Mrs. E. D. Reichard and Mrs. Stella White of Portland.

Miss Iris Evelyn Saunders of Portland is the week-end guest of her sister, Miss Lucile Saunders, at the residence of Mrs. James Godfrey, 405 North Liberty street.

Mr. and Mrs. J. C. Reigelman entertained as their guests during the week, Mr. and Mrs. Perrie Mark of Sheridan, whose daughter, Miss Olive Mark, was among the graduates of Willamette university. Mrs. Mark arrived Saturday and was later joined by her husband. The family returned Thursday.

Mrs. E. D. Reichard of Portland, a sister of Mrs. Reigelman, accompanied by Mrs. Stella White, were guests at the Reigelman home Tuesday and Wednesday.

Dr. Frank Wilbur Chace left Friday night for New York city. He will be joined later by Mrs. Chace, who left a week ago for Oak Park, Ill., where she is the guest of a sister. Dr. Chace has resigned his chair of music at Willamette university and will take up his musical work in New York city. The Chaces have many, many friends since their three years residence in Salem and will be much missed by both the college and townspeople.

Many townspeople motored to the State School for the Feeble Minded

Wednesday, during the afternoon and evening to view the annual exhibit of the school. A wonderful array of articles was on display from the industrial and manual training departments.

The rooms of the school were adorned with roses of many hues, combined with huge clusters of sweet peas and snap dragons. The guests were received by Dr. and Mrs. J. N. Smith, assisted by a corps of teachers. They were Mrs. W. H. Byrd (Miss Inez Adele Cramer) and Miss Esther Cox of the grade and musical department; Miss Edith Miller, gymnasium; Miss Lillian Dull, manual training and basket weaving; and Miss Mary Julian of the industrial department. No refreshments were served.

A recital will be given for the younger pupils of Miss Elma Weller Friday evening, June 21. Details not obtainable at present will be announced later.

A surprise party was given for Miss Eva Goodspeed at the home of Mrs. William Skipton Tuesday evening by the members of her art class. Delicious refreshments were part of the delightful informal castime. Miss Goodspeed has lived in Salem for two years and her work has endeared her to a large circle of pupils and admirers who feel genuine regret at the news that she is soon to leave this city. Those of her class who tendered her the surprise were: Mesdames Skipton, Murphy, Lynch, Chapelle, Kellar, and the Misses Lennon, O. Skipton, J. Chrissinger and G. Brewer.

The ninth birthday anniversary of little Miss Wilma Coursey was the pretext for much juvenile jollification on Friday when the mother of the little girl, Mrs. H. G. Coursey, gave a party at her home, 214 Court street. Pink was the color scheme used in the rooms and the birthday table was made pretty with streamers of pink ribbon. Games were enjoyed. A sister of Mrs. Coursey, Mrs. Ben J. Werner of Seattle, assisted in serving the refreshments. ### BRONCHIAL ASTHMA

Mrs. Graf Says Vinol Cured Her  
Darlington, Pa.—"I suffered from bronchial Asthma so badly I would often have to sit up half of the night or lean over the back of a chair, and so week I could hardly walk across the floor. I had spent lots of money for different Asthma medicines without any help—but Vinol helped me so I sleep well, and am so well and strong I am doing all my work on the farm."—Mrs. Emma Graf.

Vinol is a constitutional remedy which contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates. We strongly recommend Vinol. Emil A. Schafer, and druggists everywhere.

### Music

Despite lack of many of the specially trained boys' choruses due to the singers having left school in order to take up summer work, the annual concert given by the high school chorus on the night of June 12 at the armory was a huge success. The carefully selected program was an especially pleasing blending of numbers, several solos standing out beyond the rest.

Agnes Halsell charmed all of those who heard her soprano obligato in "Berceuse," her clear mellow tones carrying above the rest. This song was elaborately presented by the entire chorus. Music in the interludes was played on the violin by Mary Talmadge and Marian Emmons. "America Triumphant," which opened the program was a stirring patriotic piece sung for the first time in Salem.

Among the striking solos was "Shipmates o' Mine" by William Harris. Mr. Harris is a very popular singer among the high school students and he was at his best in this number. As an encore he gave "Lullie in Khaki," the entire chorus of 10 voices joining in the refrain. Miss Florence Jones was very winsome and charming in her interpretation of "Will o' the Wisp" and responded to the applause with a musical telephone order which brought down the house. "Joys of Spring," a brilliant soprano solo, was splendidly rendered by Joanna James, a young girl whose voice promises a bright future.

"Magic of Spring" was an especially beautiful selection in five parts, with excellent pianissimo work and great forte contrasts. It was one of the most difficult numbers and was well handled by Leslie Springer, baritone.

The concert was under the direction of Miss Minetta Magers, whose critics agree, has this year coached the best girl chorus the school has

### The World's First Torpedo Failed

ITS inventor, David Bushnell, an American, in 1776 attempted to sink the British warship, Eagle.

Bushnell towing his torpedo, charged with powder, by means of a hand-power semi-submersible, planned to fasten it to the hull of the attacked ship with a steel plunger; then explode it by clock work.

His torpedo—too much of an experiment—failed. Safeguarding the user against failure, Goodrich never markets an experiment, tires or anything else.

Goodrich Tires, though built with the experience and skill of the oldest and largest rubber factory, are proved out by the practical road travel of Goodrich Test Car Fleets to make them in word and deed—

### GOODRICH SERVICE VALUE TIRES

For Goodrich recognizes but one value in tires—their SERVICE VALUE on your car and on the road; one tire value—SERVICE VALUE.

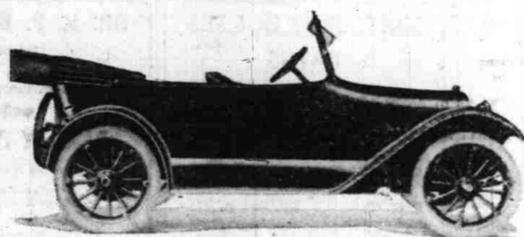

Whatever pounds of rubber and other material go in tires; whatever hours of work and skill, their VALUE to motorists is their SERVICE, in comfort, dependability and durability.

And you are sure to get it if your tires are GOODRICH SILVERTOWN CORDS, or BLACK SAFETY TREADS.

Make sure of economy and security in tires by demanding big, masterful SERVICE VALUE TIRES.
