For Life

PROMINENT CITIZEN IN AUTO-MOBILE ACCIDENT IS CRIPPLED FOR LIFE

Mr. of Los Angeles was unfortunate in having been paralyzed from the waist down, caused from an accident while driving his automobile recently. This is the substance of the news item in one of the leading newspapers.

Let Us Look Behind the Scenes. Mr. enjoyed a salary of \$3000 a year but was unable to save very much. About a month before the accident Mr. secured a \$10,000 Life Policy with the Mutual Life of N. Y.

The doctor tells Mr. that he will be totally disabled for life but, that he may live 40 years.

Mr. draws \$1000 a year from his policy—pays no more premiums and at his death—whether it be 10 years or 41 years—his wife receives the full \$10,000.

Was Mr. a wise man? Suppose he hadn't taken out the insurance? In his case the good wife would have had, not only his care but the support of the family on her hands.
