BY MISS MURIEL GRANT.

MISS Martha Wheelton's visit to Salem today is of interest to her many acquaintances and old friends, as well as those who are interested in the work women are doing in different parts of the world as a result of the war. Miss Wheelton, who has been general secretary of the Young Women's Christian Association in Bombay, India, will be the guest of honor at a tea at the Y. W. C. A. reception rooms this afternoon.

The tea is one of the important occasions of the week, and is under the direction of Mrs. Chauncey Bishop, Mrs. Charles A. Park, Mrs. Frank Spears and Miss Helen Pearce. Miss Wheelton will give an interesting talk at 3 o'clock and she has chosen "Women of India and the War" as her subject. She has been in great demand ever since her return to the United States. All of the women of the city are invited to greet her.

During the afternoon tea will be served with Mrs. Robert S. Gill and Mrs. James Elvin presiding at the urns.

At 6 o'clock tonight supper will be served at the Y. W. C. A. for all those who have not had the opportunity of hearing and meeting Miss Wheelton this afternoon. Reservations may be made at the Y. W. C. A.

Dancing which has been sadly neglected by the younger set during the summer months has taken away again, and several parties have been held during the week past. One of the most delightful of these was given last Saturday night at the Cotillion hall on Liberty street, by a number of the members of the younger set.

Mrs. H. Corbett and Mrs. W. P. Babcock acted as sponsors for the occasion. Among those present were Misses Mabel Corbett, Mildred Gill, Alice McClellan, Amelia Babcock, Ina Proctor, Gretchen Brown, Miriam Swartz, and Mrs. Isabelle George Annabelle Golden. Cora Breitenstein, Mary Elizabeth Bayne, Edna Ackerman, Kathryn Flake, and Arthur Looms, Dolph Craig, Elvin Lantis, Mark Latham, Hugh Latham, Wallace Carson, Wolcott Buren, Morris Warwick, Dewey Hammal, Armon Burger, Kenneth Wilson, Call Holcomb, John Brown and Frank Chapman.

On Friday Mrs. Chauncey Bishop, Mrs. Charles A. Park, Mrs. H. S. Gill, Mrs. F. A. Elliott and Miss Flo-

rence Cleveland will leave for Portland to attend the meeting of the war workers conference to be held Friday and Saturday. On Monday a meeting of the delegates from the state Y. M. C. A., Y. W. C. A. and Red Cross divisions will hold a meeting for the formulation of plans for the coming Red Cross and liberty loan drive.

The above committee will represent the Young Women's Christian Association of Salem.

Mrs. Minnie P. Harding has arrived in Salem from Los Angeles, to spend two months at the home of her daughter, Mrs. T. S. Roberts.

Mr. and Mrs. J. M. Donough of Salem Heights left Wednesday for an extended eastern trip. They will spend a few weeks with friends in Spirit Lake and Fort Dodge, Okla. The greater portion of their time will be spent with relatives at their former home in Sibley, Iowa.

Mrs. L. T. Harris has returned to her home, 1540 State street, after having spent a fortnight's visit at the home of friends near Eugene.

Miss Mattie Beatty, county chairman of the woman's liberty loan committee, will leave Monday for Portland, where she will be in attendance at the meeting of the national liberty loan committee. Miss Beatty will remain in Portland to attend the meeting of the State Federation of Women's clubs.

Miss T. S. Carlidge of Portland, who is field worker for the national women's liberty loan committee will arrive in Salem Friday afternoon at 2:30 and will meet with the women of Salem at the Commercial club rooms. She is here to confer with the local committee in regard to the coming liberty loan drive. Mrs. L. T. Harris is chairman of the local committee, with Mrs. Charles Welles and Miss William Hamilton assisting. The women's division of the liberty loan committee is to coordinate with the local men's committee.

Miss Ava Putnam and Miss Inez Wiedmer will leave today for Portland where they will spend a few days. They will also go to Tacoma and while there will spend a por-

tion of their time with friends at Camp Lewis. They will probably be gone a week.

A meeting of the aid society of the Women's Relief corps will meet Thursday afternoon at the Armory for an all day session. All members are requested to attend and each to bring a basket lunch, and come prepared to spend the entire day. The aid society is working upon patch quilts, which are to be sent to the French relief fund committee with headquarters in Portland.

The Patriotic thrift stamp tea given Wednesday afternoon at the Y. W. C. A. reception rooms for the benefit of the woman's building fund of the University of Oregon added materially to the fund. Three thrift stamp books were filled.

During the afternoon a delightful program was composed of several numbers by Miss Elizabeth Levy, Mrs. Albert Schramm, Miss Doris Churchill and Mrs. Arthur Rahm.

The rooms were aglow with gay colored blossoms in charming baskets and the color scheme of lemon and yellow prevailing throughout the rooms.

Assisting about the rooms were Miss Mildred Gill, Constance Cartwright, Miss Dorothy Patton, Phyllis Walker, Helen Cory, Frances Hodges and Florence Cartwright.

Mrs. Chauncey Butler and little son, Donnelly Bennett, returned to Salem Tuesday after an absence of a month at the coast. They live at 485 South Commercial street.

SUGAR EXPORTS SMALL TO NEUTRAL NATIONS

Only 797 tons of refined sugar were shipped from America to neutral nations during the first five months of this year. This amounted to only 3.2 per cent of the total exports to all countries. Mexico received more than half the amount we exported to neutrals.

GERMAN WOMEN USED AS AVIATORS

(Continued from page 1).

With a trench knife, then dashed from shellhole to shellhole until he reached the American lines.

(By The Associated Press)

WITH THE AMERICAN ARMY ON THE AISNE FRONT, Sept. 10.—The American artilleryists poured shells into the hills northeast of Gienesse and Villon in such quantities that the German machine gunners were compelled to take cover. During such intervals the American infantry men made slight advances at several places.

The chief point of contention for the Americans continues to be La Petite Montagne, where the Germans not only are entrenched but have dug in from the trench bottoms as an additional protection against the heavy guns of the French and Americans.

Despite a downpour of rain Monday night and part of Tuesday, the batteries kept the Germans guessing and also drove out some snipers and annihilated a few machine gun nests. The American infantrymen are moving forward along the ravines which slope to the north.

The Germans used considerable gas during the early hours of Tuesday, but, like the larger shells, many struck in pools of water and failed to explode.

Between Viellerey and Villers En Prayers, the Americans command the lowlands to the Aisne. The German machine gunners along the hills to the northeast are being subjected to artillery fire unmercifully day and night.

MURDER REPORTED

MEDFORD, Ore., Sept. 11.—Reports of a murder at Huckleberry Mountain in the Crater Lake district were telephoned to the sheriff's office here today asking the sheriff to hurry to make arrests. The informant, beyond saying that Klamath Indians were implicated in the murder gave no information.

AVIATOR KILLED

SAN ANTONIO, Tex., Sept. 11.—Second Lieutenant John Wilder Tomlinson, 23, son of John S. Tomlinson of Washington, D. C., was killed instantly in a side slip fall of his airplane, near Brooks flying field here today.

EXPENSIVE FURS SOLD

SEATTLE, Wash., Sept. 11.—Siberian furs valued at approximately \$400,000, were sold here today to eastern buyers under sealed bids. This was said to be the largest individual assembly of Siberian furs ever held in the United States.

STEAMSHIP SINKS

BRIDGETOWN, Barbados, Sept. 11.—The steamship Berwind from New York has sunk in the harbor. All the crew are safe.

Dignitary of Church

CARDINAL JOHN MCPARLEY

Cardinal Farley of New York has been seriously ill, but there are hopes of his recovery.

NO, THIS IS NOT IN TRENCHES

Strange, isn't it, with baths still in use in England that were built by the Romans, that just across in France you can't get a bath once a month in the trenches.

The Yankees shown above are visiting the old Roman plunge at Bath, England, while enjoying the hospitality of our British cousins.

While en route to France, thousands of American soldiers have had their hearts warmed by the cordial entertainment of the English. Make your subscription to the Fourth Liberty Loan as hearty.

General Petain, cheering his troops at the beginning of the fifth year of the war, said:

"Not long ago, I said to you: 'Abnegation, patience; your comrades are arriving.'

"Today I say: 'Tenacity, audacity; you shall force victory.'
 American dollars must back up the overwhelming American armies—Buy Fourth Liberty Bonds.

We'll wallop Wilhelm well with Liberty Bonds.

A bond slacker is the Kaiser's backer.
 Buy a Liberty Bond instead.

FRITZ 'FRISKED' FOR GUNS

Fritz usually is a docile prisoner, but no chances are ever taken on his not trying to take along with him to the prison "cage" a pistol, wire-cutters, a compass or a saw to aid escaping.

Allied prisoners are searched by the Germans for food, but this is entirely unnecessary in the case of German prisoners.

Your subscription to the Fourth Liberty Loan will help keep the Allied fighters in plenty.
